Boy Scout Units Attending Camp

Eight troops from Moore County left early this week for Boy Scout activities at Camp Durant, located near Neuse, north of Raleigh.

Six camp periods of one week each are being held, and during the current one 200 boys from Occaneechee Council are in attendance.

Forty-five boys from Moore, all of whom will return this Saturday afternoon, include campers from Troop 68, Aberdeen, Troop 223, 224 and 873, of Southern Pines, Troop 7 of Pinehurst, Troop 936, Carthage, Troop 74, Robbins and Troop 206, of Pinebluff.

This is the fifth week of the camp, all of which have been filled to capacity. Activities include riflery, archery, Indian-lore cooking, camping, waterfront activities, handicrafts, nature, and pioneering merit-badge work.

Due to increased demand for use of the camp, it has been authorized to run the camp for two months in 1957.

Textron Announces Acquisition of Two Calif. Plants

Royal Little, chairman of the board of Textron, Inc., and James L. McDonald, president of Hall-Mack Company, announced that Textron has acquired the Hall-Mack Company, Los Angeles, Calif., and Peat Manufacturing Corp., Norwalk, Calif.

Hall-Mack, established over thirty five years ago, manufactures and distributes distinctive bathroom accessories and fixtures and is recognized as one of the leaders in this field.

Peat Manufacturing Corp. makes die casting and plastic parts and is one of the principal suppliers to Hall-Mack Company. Peat is developing and expanding its current facilities in order to serve the die casting requirements of other manufacturers in the Southern California area.

With the acquisition of Hall-Mack, Textron enters an entirely new field that is completely unrelated to the twelve other companies that constitute the Textron family of business enterprises.
