Dogwood Grove Plans Various Activities At Wednesday Meeting

At Wednesday night's monthly meeting of Dogwood Grove No. 253, Supreme Forest Woodmen Circle, held in the Woodmen hall with 12 members present, plans were made for the team to begin practicing early in September on special drills in floorwork in preparation for next spring's Southeastern District Convention.

The team has been invited to register for the 1957 national convention in Washington, D. C., to be in a pageant with teams from all over the United States.

The Grove members are taking orders for Christmas cards, to add to the treasury, and this project was discussed. Miss Mary Scott Newton is chairman of this work.

A short ceremony was held in memory of the Florida state manager who passed away recently, and at this time the charter was draped.

Plans were made for holding a picnic supper at 7 p.m. on August 8 at Pinebluff lake, with all members and their families urged to attend, taking well-filled picnic baskets.

Officers Holding Negro On Murder Charges Saturday

Cary Stone, a Negro in his 70s, was found Sunday morning in the front yard of his home on Route 3, Carthage, shot to death with three bullet holes in his body.

Williford Johnson, about 30, was charged with murder in Stone's death.

Coroner Ralph G. Steed said that an investigation disclosed that Johnson, who lives about a mile from the Stone home, had been at Stone's home Saturday night and that they had quarreled.

Late that night, sheriff's deputies received a call about trouble there but the nature of the trouble never was explained.

Sunday morning, two women in the Stone home found the body and notified officers. They said they had heard shots the night before but were frightened and did not go outside.

Later, officers surrounded Johnson's home. When he tried to run, officers said C. A. McCallum, Moore County ABC officer who was with deputies, overtook him.

The coroner said Johnson admitted the shooting. Johnson said Stone had pulled a gun on him and that he (Johnson) got it

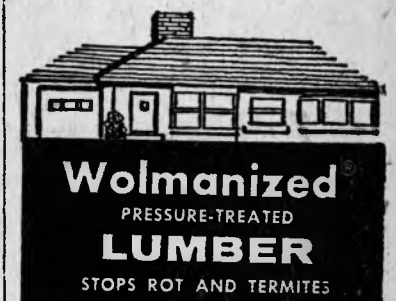

shot twice in the lower left leg and once in the lower abdominal region. The weapon was identified as a .38 calibre pistol.

Steed said that questioning of neighbors indicated the two had engaged in a long-standing feud. Johnson is in Moore County Jail.

Buddy Elvey has returned home from Camp Ridgecrest at Black Mountain. His parents, Maj. and Mrs. G. C. Elvey, went for him Monday.
