

Rotary Governor Pays Visit Here

Members of the Southern Pines Rotary Club were reminded Friday that "it is not what you have done, but what you're doing and will do" that will make it a worthwhile club in the community.

Dr. Mark Lindsey of Hamlet, district Rotary governor, in reminding the members of their responsibilities as a part of the community, said it wasn't enough to wait for opportunities to help the community. "You have to get out and look for those opportunities to improve. Then, and only then, will you be truly functioning as a club member," he said.

Dr. Lindsey, making the annual governor's visit to Southern Pines, announced that there would definitely be an exchange scholar from this district this year. He said that all efforts were being made for every district in the country to take part in the exchange program, one of the principal international Rotary projects.

The club adjourned Friday out of respect for Doq C. Jensen, a charter member and former president, who died here suddenly Thursday morning after suffering an earlier heart attack.
