Plenty of Zip at a pip of a price

(It's a great time to buy a Buick!)

SERIOUSLY—where else can you get so much snap and ginger at such a peach of a price?

Where else can you get a big, high-powered, steady-riding hardtop like this '56 Buick Riviera—at a figure that's pretty close to what they're asking for similar models of the well-known smaller cars?

Nowhere else that we know of—which is one big reason why Buick outsells all others cars in America except two of those smaller cars.

BUT RIGHT ALONG with low price is something else behind Buick's big success: Buick is a lot more automobile for the money.

It gives you more room and luxury—more zip and power thrill—fine handling and sure-footed stability.

And it gives you something you can get in no other car—today's advanced new Variable Pitch Dynaflo.* It's

the only transmission in the world with the cruising thrift and the switch-pitch safety-surge taken from the modern plane's propeller.

So WHY WAIT any longer—when the time to take action is now, so you can start enjoying all the golden months of summer and fall in a new '56 Buick?

Now—when Buick prices are as low as—perhaps lower than—they'll ever be again.

Now—when your present car is at its peak of worth—and when today's high volume '56 Buick sales permit us to make you an even better trade-in allowance.

Come see us—and look into the car that puts you years ahead right now.

Come see us today—and discover the dilly of a deal that will make you wonder why on earth you waited as long as you did.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

AIRCONDITIONING at a COOL NEW LOW PRICE. It cools, filters, dehumidifies. Get 4-Season Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING
