

### Special Term of Recorder's Court Held On Saturday

With a one-week term of Superior Court scheduled to begin Monday, Judge J. Vance Rowe moved Recorder's Court up from the usual Monday session to Saturday.

Few cases were heard in the brief session.

Two bondsmen were ordered to pay bonds they had signed for

defendants who had never appeared in court for trial.

Herbert Belton, charged with driving without a license, had been free on \$25 bond. After all due process of law were exhausted in trying to get him to come to court, his bondsman was ordered to forfeit the bond.

S. D. Brafford, bondsman for Willie Johnson, who had been charged with driving without an operator's license and failure to yield the right of way, failed to appear after numerous "callings" and other legal maneuvers. Judge Rowe ordered judgment be entered against Brafford in the full amount of the bond—\$100.

Other cases disposed of:

M. B. McAllister, Vass, larceny of rifle. Judge Rowe ordered that James Johnson, prosecuting witness, be assessed costs of the action on grounds of frivolous and malicious prosecution.

Billy Ray Shelton, High Point, driving while drunk, no valid registration card, 60 days or \$100 and costs, license revoked 12 months.

John Henry Malloy, Eagle Springs, speeding 70, \$35 including costs.

Billy Talbert, West End, bad check, 30 days or pay costs and amount of check (\$25).

Bynum R. Bailey, motion to reduce payments, continued under former order of the court on payment by defendant of costs of this hearing and \$70 per month for support of child under terms and conditions previously stipulated by the court.

Capiases were ordered to issue for Willie Junior Spears, charged with larceny of foodstuffs, with bond set at \$100; and William (Billy) Carlile, charged with public drunkenness, bond set at \$25.

Mary Allen and Willie Allen, charged with abduction, pleading not guilty, were found not guilty.

### Dawson Attending Confab This Week On Pearsall Plan

A. C. Dawson, superintendent of the Southern Pines school system, is attending a conference in Mars Hill this week where other school officials throughout the state have gathered to discuss the Pearsall school plan.

North Carolina voters will go to the polls September 8 in a special election to decide whether

the constitutional amendments embodying the proposals advanced by the Pearsall Committee will be adopted as part of the state constitution.

Meeting with the school officials will be Attorney General William B. Rodman, one of the leading backers of the Pearsall plan, and Judge John J. Parker of Charlotte, of the 4th Circuit Court of Appeals.

Also attending will be Rodman's assistant, Claude Love.

Mr. Dawson said the conference would, to a great extent, serve to explain the mechanics of the so-called Pearsall amendments and

how they would affect the public school system.

Next week Mr. Dawson and his family will go to Spring Lake, N. J., where he will combine a vacation with a series of conferences on problems affecting the public school system in the country.

North Carolina's spring pig crop was the largest on record. Totals were 4000 more than the previous record crop produced in 1955.

Grape production in North Carolina is estimated at 1,400,000 tons as of July 1.
