

### Moore Scouts Back From Goodwill Tour Of Cuba; Many Places Visited

The first Oconeechee Council International Good Will Tour proved a highly successful venture for some 100 Boy Scouts and 14 Scout Leaders, just back from a two-week Cuban venture.

Under the leadership of Billy McKenzie of Pinehurst, the following Moore District boys made the junket: John Chappell, Jimmy McDonald, Kent Kelly and Jack Carter, of Southern Pines; and Bobby Grier, Bobby Tufts, Albert Snead, Ralph Gilliland, and Carter Burwell, of Pinehurst. They went by bus to Miami International Airport, with stopovers at Shaw Air Force Base and Hunter Air Force Base. While in Miami the group visited the "Seaquarium" and Cranton Park Lake.

The trip to Havana from Miami was by the S. S. Florida, an overnight cruise.

The following account of the

venture was prepared by Billy McKenzie:

"During the week the Scouts and leaders were quartered at Candler College, Mariana, the Jose Marti Polytechnic Institute at Havana and Matanzas City, and the Military Civic Institute. Included among the interesting functions were a visit to the national Scout Office, an address by the President of the Scouts de Cuba, a tour of the television center in Havana, a visit to La Cabana fortress, a concert of Cuban music at Bellas Artes Palace, a banquet held at the Comodoro Hotel, formal decoration ceremonies honoring the Cuban National Hero, Jose Marti, tour of a sugar refinery, an afternoon at Varadero Beach and a tour of the Bellaman Caves.

"The Cuban people accepted with open arms the Boy Scouts of the North Carolina delegation. Many compliments were paid for their fine behavior as ambassadors of the Boy Scouts of America.

"Brisk trading and swapping of equipment and trinkets was carried on at every stop between the Cuban and American Scouts; and the barrier of languages was quickly surmounted by both Cuban and American boys, in this inspirational demonstration of international goodwill and brotherhood.

"The American delegation set sail for the U. S. after a glorious week on the Cuban mainland, carrying with them the wonderful memories of the fast and faithful friends made during their brief visit.

"Upon arrival in Miami they boarded busses for Fort Myers and a visit to the Thomas A. Edison Estates and laboratory. Then on to Silver Springs and a wonderful ride in the glass-bottom boats and photo-sub, plus a visit to the Old Auto Museum and the Ross Allen Reptile Institute. From Ocala the delegation returned to Hunter Air Force Base, and then back to Southern Pines.

"The general impression of the many people observing the N. C. delegation of Boy Scouts was one of admiration for the humble and dedicated attitude toward their mission as "goodwill" representatives of the Boy Scouts of America and the people of the United States."
