Paving Completed On Section of US 15-501

The State Highway Commission completed 123.74 miles of road improvements in the 8th Highway Division during August, Forrest Lockey of Aberdeen, 8th division commissioner, said today.

In Moore the biggest project completed was paving the new location of US 15-501 from NC 27 near Carthage to NC 2 near Pinehurst, a distance of 10.4 miles. By contract, Brown Paving Company paved the new highway with sand asphalt. The new road has a 24-foot wide traffic lane.
