

Scholarship For License Study Awarded To Poe

William C. Poe of Southern Pines, chief driver license examiner for the State Department of Motor Vehicles, has been

EASE ITCHY SKIN! IN JUST 15 MINUTES. If not pleased, your 40c back at any drug store. Use instant-drying ITCH-ME-NOT day or night to relieve the itch of eczema, ringworm, insect bites, foot itch and other externally caused itches. Guaranteed locally by Sandhill Drug Co.

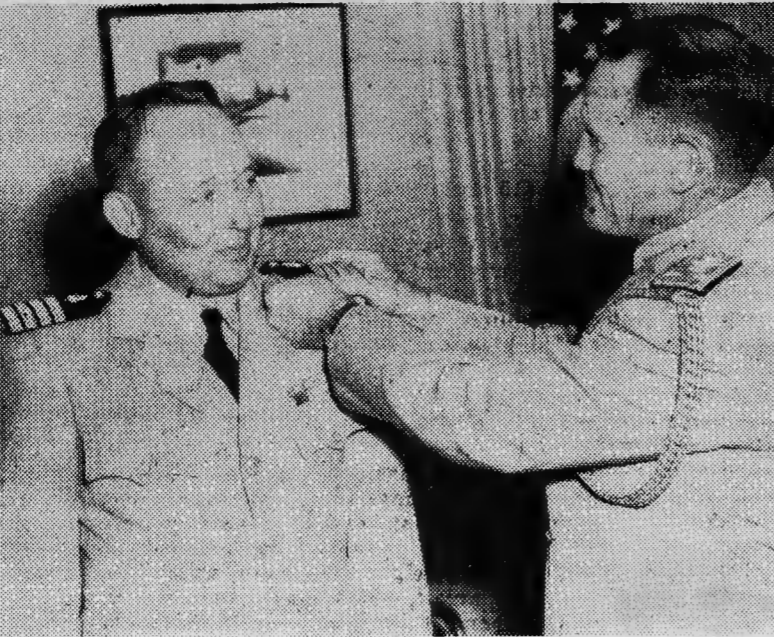

awarded a tuition scholarship to Northwestern University in Illinois.

The award was presented by vehicles commissioner Ed Scheidt, representing the American Association of Motor Vehicle Administration, and will enable Poe to attend a three-week study course at Northwestern's Traffic Institute.

The course will cover such subjects as the administration of driver examinations, the legal aspects of examining and licensing, and instructions in semantics and public speaking.

Poe will be away from September 17 through October 5.

FOR RESULTS USE THE PILOT'S CLASSIFIED COLUMNS

VICE ADMIRAL ROBERT GOLDTHWAITE, USN, Deputy Commander in Chief, U.S. Atlantic Fleet, pins Captain's "boards" on Malcolm G. Stutz, USN (MC), after his promotion to the rank of Captain, USN. The ceremony took place at the headquarters of Admiral Jerauld Wright, Commander in Chief, U.S. Atlantic Fleet. Captain Stutz is Atlantic Fleet Headquarters Medical Officer on Admiral Wright's staff. He is the son of Mrs. D. G. Stutz and the late Mr. Stutz of Southern Pines, and is a graduate of the University of North Carolina, where he received his AB Degree, and the Medical College of Virginia, where he was graduated as an MD. He interned for two years at New York Polyclinic Hospital, New York City, and practiced medicine for five years in Southern Pines, before entering the Navy as a Lieutenant (jg) in 1941. Captain Stutz spent three months at the Norfolk Navy Yard Dispensary before reporting for duty as Medical Officer on board the USS GUADALUPO. Since that time, he has served at the U.S. Naval Hospitals in Philadelphia and Memphis, Tenn., was medical officer aboard the USS OSTAR and has had extensive duty with the Fleet Marine Forces, U. S. Atlantic Fleet. His last duty station prior to reporting to his present duty on Admiral Wright's Atlantic Fleet Staff was Medical Officer for the U. S. Atlantic Fleet Amphibious Training Command, Little Creek, Va.

North Carolina small grain and barley made record yields 25.5 bushels. This is 2.5 bushels specialists report that each of the and production in 1956. The yield more than the old record of 23.0 small grain crops of wheat, oats, of wheat per acre is estimated at bushels produced in 1951.

Ford tandem axle BIG JOBS are rated to carry more payload than comparable tandems of any of the leading manufacturers. T-800 model has max. GVW of 45,000 lb.—GCW is 65,000 lb.

Ford's F-100 Custom panel is one of the top load carriers in its class. It provides 155.8 cu. ft. of cargo space in a smooth, fully lined interior and hauls up to 1,535 lb. of payload.

The hardest-working, biggest-saving "two-tonner" of them all is the Ford F-600. Only Ford offers a Short Stroke Six and three Short Stroke V-8's in this field. Max. GVW is 19,500 lb.

FOR BIG JOBS... SMALL JOBS... ALL JOBS

Ford Trucks cost less

And low first cost is only your first saving

Ford's F-100 pickup with 8-ft. box is the biggest in the half-ton field—up to 19 cu. ft. more loadspace than the others. Regular 6½-ft. box with a full 45 cu. ft. capacity also available.

Before you buy your next truck, look at both sides of Ford's story of value. Check what you get and what it costs. You'll like what you see.

Look at the costs. Ford's first cost is low. Resale value is high. Modern Short Stroke engines—V-8 or Six—are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life. And a 10-million truck study proves Ford trucks last longer.

Look at what you get and you'll see you get more in a Ford. For example, more horsepower per dollar—proved by a comparison of factory-suggested list prices and net horsepower of all truck lines. You get more comfort with a Driverized Cab, and more safety with Ford's exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal more for your money—see your Ford Dealer.

FORD TRUCKS LAST LONGER

Using latest registration data on 10,502,351 trucks, insurance experts prove Ford trucks last up to 9.9% longer.
