

### USAFAGOS Earns Recognition Of Belgian Minister

The USAF Air-Ground Operations School here, which has seen students from many foreign countries pass through its doors, received a plaque this week from the Belgian Minister of National Defense in recognition of the services rendered to Belgium military students over the years.

Baron Silvercruys, Belgian Ambassador, personally made a symbolic presentation of the plaque to Charles E. Wilson, Secretary of Defense, at the Pentagon in Washington.

The plaque, inscribed in French and Flemish, read: "In recognition of the services rendered to the Belgian Military students." It is also being presented to other schools and training establishments of the Air Force located in various sections of the country.

### Mrs. John L. Frye of Robbins Named President of Moore Young Democrats

Mrs. John L. Frye of Robbins, prominent in Democratic circles for several years, has been elected president of the Moore County Young Democrats Club succeeding Robert N. Page III of Aberdeen.

Mrs. Frye's election came at the annual convention held in the courthouse at Carthage last Friday night.

Others elected were DeWitt Purvis of near Carthage, first vice president; Miss Dianne David, Pinebluff, second vice president; Voit Gilmore, Southern Pines, treasurer; and Miss Myrtle Frye of Carthage, secretary.

Henry Hall Wilson, Jr., Wadesboro attorney who is state YDC president, was keynote speaker for the meeting. He flatly accused President Eisenhower of "fence straddling" rather than following a middle of the road policy.

"We are fighting the campaign of 1956 based on the Eisenhower administration," he told the group, "and it appears to me that the chickens are coming home to roost."

He pictured Adlai Stevenson's chances as "excellent," and said the Democrats have a "fighting candidate who will wage a successful campaign." Wilson was

introduced to the convention by Wesley Caviness of Carthage.

Also taking part on the program was H. Clifton Blue, Aberdeen newspaper publisher and Moore County's representative to the State General Assembly, who briefly reviewed the Democratic Convention held in Chicago. Blue was the regular delegate from this district.

Voit Gilmore, Southern Pines mayor and an alternate delegate to the convention, also spoke at the meeting, recounting activity during the past few months of the YDC and senior party activity. Page gave a final report on the activities of the organization during his tenure.

In addition to the county members, three candidates for state-wide YDC office were guests and spoke in behalf of their candidacies. Included were Bill Wood of Winston-Salem and Bill Smith of Charlotte, candidates for YDC National Committeemen; and Miss Betty June Hayes of Hillsboro, candidate for YDC National Committeewoman.

All YDC members from Moore who will attend the State Convention in Winston-Salem in the near future were authorized to serve as official delegates and cast votes for this county.

### Home Demonstration Club News

#### Cameron

This week I am going to tell you about Mrs. D. H. O'Quinn's activity. She manages the family farm and operates a combination country store and filling station in addition to her housekeeping chores. She is always keeping two or three grandchildren so that their mothers may work.

In between jobs she manages to freeze and can the vegetables from her family garden. She is never so busy that she cannot help with the neighborhood projects.—By Mrs. W. B. Sellars, publicity chairman for Cameron Club.

#### Mt. Holly Club

Due to everyone being so busy the September meeting of the Mount Holly Home Demonstration Club was delayed from September 5 to September 19.

On last Wednesday afternoon Mrs. Ray Tetter was hostess to the Mount Holly Home Demonstration Club. The meeting was called to order by the president, Mrs. Jasper Marsh. The opening song was "Jacob's Ladder." Following the song the club collect was repeated by everyone.

Twelve members answered roll call. After a brief business session the food conservation leader gave a report on frozen foods. The meeting was then turned over to Miss Flora McDonald, home agent. The demonstration

this month was making rolls. Miss McDonald showed step by step the process of making rolls. Each one learned something new by this lesson. The baked rolls were served and were delicious.

During the social hour the drawing for the attendance prizes went to Mrs. G. P. Jones and Mrs. E. P. Brenner. They will bring gifts for next month's drawing.
