

CAUGHT IN RICHMOND COUNTY

Local Officers Initiate Chase That Ends In Capture Of Escapee

The action of two Southern Pines police officers, attempting to stop a car here Tuesday night to inform the driver that only one headlight was working, was credited by State officials as being the spark that touched off a wild chase that eventually led to the capture of an escaped convict, his brother, and another person in Richmond County.

The three, identified as Johnnie and Jackie Sloan, both of Lee County, and Robert Goodwin, of Rockingham, were apprehended

by members of the State Highway Patrol and placed in the Richmond County jail, where they still remain.

The chase, according to a report made by Sgt. M. R. Stout and Officer Franklin Johnson, started about 10:10 p.m. Tuesday night when they attempted to stop the car on North May St. But the driver sped through town, heading South, at speeds of 80 miles per hour and faster.

The policemen radioed their headquarters, instructing the dispatcher to radio Aberdeen and have a road block set up, but the message was too late and the fleeing suspects ran through the red light there.

Burney Sanders, Aberdeen officer, joined the chase towards Aberdeen at that point.

In the meantime, State Highway Patrolman R. R. Samuels, on routine traffic patrol between Pinebluff and Aberdeen, saw the chase and joined in. The Southern Pines officers had to drop out because a tire on their car gave out.

Samuels radioed information to Greensboro headquarters, the message being picked up by the SHP in Rockingham. From the license number Greensboro was able to identify the car as one stolen there and warned Samuels that the men were probably armed.

The car was finally stopped some 16 miles south of Southern Pines by Samuels and fellow patrolmen N. R. Davis and C. L. Ritter, who are stationed in Richmond County. The three suspects took to the woods but were quickly rounded up.

Jackie Sloan, 18, escaped from a Beaufort County prison camp in the latter part of October. He had been serving a five-year term for larceny in Moore County, which he had started November 5, 1955.

Johnnie Sloan, 24, was released from prison May 4 of this year after serving a three-year term on a conviction of breaking and entering and larceny in Chatham County. He also served a concurrent term of two years for larceny in Lee County and a third term, running concurrently of six months

for receiving stolen goods.

All three were armed with pistols and had a complete set of burglary tools and one-half gallon of white whiskey in the car. Asheville police officials called here Wednesday morning and reported that a quantity of tools and firearms had been stolen there recently, but it is not known at this time whether the theft was directly tied in with the three men arrested.

They have been charged with larceny of an automobile, possession of burglary tools and carrying concealed weapons.
