

Skeet Shooters To Stage 2-Day Event At Pinehurst Club

The annual mid-winter Skeet Championships, expected to attract gunners from several states, will be held by the Pinehurst Gun Club Saturday and Sunday.

The program schedules four championship events: the sub-small gauge (410) to be shot Saturday morning beginning at 9:30; small gauge (28), a new event which follows immediately; the twenty gauge, to be shot Saturday afternoon at 1 o'clock; and the all-gauge (all-bore), scheduled to begin at 9 a. m. Sunday. The 410 and the 28 are 50-target events, the 20-gauge and the all-bore are 100-target events, with trophy and emblem going to the champion in each.

In addition, there will be a high-over-all award presented for the combined high score of the four events.

Defending champions in each event are expected to attend the meet.

Albert S. Tufts is in charge of arrangements.

Verhoeff Sets County Record With 48 Points As Robbins Tops Locals

Towering Roger Verhoeff, being prominently mentioned as a sure bet for all-state basketball honors this year, went on a scoring spree Friday night and established a modern day record for Moore County in one game.

The 6'6" center, playing as well as he ever did, swished 48 points through the nets for the Blue Knights as they fell to the super-charged Robbins Bearcats in a thriller at the local gymnasium. It was the second time this season that Coach W. A. Leonard's charges have lost to Robbins and marked the last time the two teams will play in regular season competition. But Leonard, heartened somewhat by the excellent work of Verhoeff and the fact that the Blue Knights managed to break up the Bearcats' fast break, said the story might be changed in the annual county tournament.

"We believe we're as good as Robbins," Leonard said after the game, "but with two lickings there's probably no one else that will agree with us. Maybe in the county tournament we'll get those few breaks we've been needing."

Actually, the Blue Knights did stop the fast break that Robbins has employed so effectively all season in running up a still unsullied record, but they couldn't

control the outside shots.

The Bearcats hit for about 60 percent accuracy, and probably about 75 per cent in the last half. Half time score was 30-25, Robbins.

Billy Hamel and Bobby Parker scored eight and seven points, respectively, and Hill Boswell had three to pace the Blue Knights. Tony Parker and Everett Cushman had two each.

For Robbins, Hussey was the leading scorer with 24 points, which observers say is about average for him each game. Culbertson had 17, and McNeill and Freeman had 11 each.

In the girls game Southern Pines got behind in the first quarter and never caught up. Final score was 66-49, Robbins.

Patti Britt had 35 points to pace Southern Pines, with Louise MacDonald, a substitute, getting 10. Lillian Bullock and Anike Verhoeff had two each.

McCrimmon had 31 for Robbins, followed by Williams, a sub, with 15, and Trotter and Hunsucker with nine each. Wallace scored one field goal to round out the Robbins attack.

Halftime score was 37-23, Robbins.

The Blue Knights meet Aberdeen tomorrow night at Aberdeen in a return match that should prove a thriller.

The efficiency of a farm feed grinding and mixing operation not only depends upon type and size of equipment used but also the bin arrangement for storage of ground and unground feed, says E. S. Coates, Extension agricultural engineering specialist at North Carolina State College. The cost of handling and grinding feed can become a few cents per ton for electric power as compared with a few cents per sack for methods now used on many farms, he adds.

PINEBLUFF NEWS

By MRS. EHRMAN PICKLER

Musical Evenings
Mr. and Mrs. Theodore Webb again opened their home on Sunday and Monday for evenings of music to benefit the Pinebluff Library. Besides the Webbs' several two-piano arrangements from Bach to Sibelius, solos and a quartet were played by Miss Jay Fisher, Miss Judy Funderburk, Miss Carolyn Petty and Mrs. W. K. Carpenter, Jr.

Roger Gibbs, director of five glee clubs in the Sandhills, sang "The Greatest of These," 1st Corinthians, 13th chapter, set to music by Harriet Ware, the well known song composer often called the Chaminade of America. Mr. Gibbs closed the program with "Bless This House."

About 100 attended and afterward enjoyed a social time over cups of punch. All thank the Webbs for their generous hospitality.
