A youth talent show, sponsored jointly by Lions Clubs in Pinebluff, Aberdeen, Southern Pines and West End, will be held at Weaver Auditorium March 2, according to C. C. Thompson of the Pinebluff Lions, who is pro-

moting the idea. The show, limited to school students, is primarily to promote interest and foster music appreciation in the schools. Thompson said that each club would select three talents who would compete against each other. Professionals will also appear on the stage. Proceeds will be used by the Lions in their several charitable and civic projects.

Long as the average living room (and just as comfortable)

This low, lean and lovely new Ford stretches out over 17 ft....with plenty of room for heads, hips and long legs. Full head room in the big new '57 Ford. That's because this beauty stands just 56 inches above street level yet has the head room you'd expect only in a higher car!

More leg room. For '57, Ford looks good from anywhere you sit. There's more relaxing room for the long ones and more stretch-out room for the short ones. Ford's greater length just naturally means greater room!

More sitting room. Now you can have true living-room comfort in a low-priced car. For the lower, longer '57 Ford is wider, too. And you get the benefit in extra wall-to-wall space.

More fun room. There's more good news for space-loving Americans in every inch of this big new '57 Ford than in any low-priced car before! Action Test the '57 Ford today.

You'll be sitting pretty in the NEW KIND OF FORD
