Professional Management Firm For Doctors, Dentists, Locates Here

Professional Management, Inc., a North Carolina corporation furnishing business advice to physicians and dentists exclusively, has established its home office in Southern Pines, according to Horace Cotton of Midland Road, president and executive director of the concern.

Offices have been taken in the Graves Building on Pennsylvania Ave. The organization, which has offices in Charlotte, Raleigh and Asheville, and Columbia, S. C., started its activities in 1953.

According to 1955 DHIA data, cows producing less than 250 pounds of butterfat per cow per year are not making their owners any money, says Marvin E. Senger, Extension dairy specialist at North Carolina State College.

Three Arrested In Carthage For "ABC Store" Operations

Operation of what amounted to a "little ABC store" for Carthage, and the arrest of three white men of Troy in the closing of the "store," were disclosed by county ABC officers this week.

They found the "proprietors" all present, with their stock, two full cases of white whiskey and an empty case. Brown and Holt surrendered while Poole disappeared through a window, taking part of the goods along with him.
