

### Tally Points Out Inconsistency In Foreign Policy

The moral position taken by the United States in supporting the United Nations resolution calling for withdrawal of British, French and Israeli troops from the Suez zone was correct. But our failure to back up the UN in condemning the Russian invasion of Hungary shortly thereafter revealed the inconsistency of our foreign policy, Joseph Tally, Fayetteville attorney, told members of the Sandhills Kiwanis Club at their meeting last week in the Southern Pines Country Club.

Such inconsistency is dangerous, Mr. Tally said. He saw in the former action a step in the right direction in international affairs in the latter, a deterrent. "We can't win the cold war, nor prevent a hot war in this way," he said.

Mr. Tally, trustee of Kiwanis International with its 4,000 clubs, and more than 100,000 members in the U. S. and Canada, sees these two countries wielding a tremendous force for freedom and justice in the world. Kiwanians, he said, have a great opportunity to inform the millions of people on the North American continent of this influence.

"If they learn the truth, they'll follow the truth. We can set the world an example. Love of liberty in the hearts of all men and women is the most powerful weapon in the world," he concluded.

The former mayor of Fayetteville was presented to the club by Lamont Brown, solicitor of Moore County Recorder's Court.

#### HOW'S THAT?

Research has shown that the ability of some animals to put on weight or maintain body weight on lower amounts of feed than some other animals of the same breed is an inherited quality, report researchers with the U. S. Department of Agriculture.

### SS Disability Payments Noted

The reason that Federal Social Security taxes for employees and for employers were raised from two per cent to two and a quarter per cent this year is that Social Security insurance payments will be made to qualified disabled workers, between ages 50 and 65, it was explained this week by Charles Shelton, field representative of the Fayetteville district office.

Mr. Shelton visits Southern Pines on the first and third Tuesdays of each month. He can be reached after 10 a. m. at the

old Internal Revenue office in the basement of the post office, with entrance on the New York Avenue side of the building.

The new system of disability insurance payments will afford monthly benefits to many workers over 50 who are prematurely retired because of severe long-term disabilities. Monthly benefits will not begin until July, 1957.

### Tobacco Associates Meeting Set March 5

The Tenth Annual Meeting of Tobacco Associates, Inc. will be held in the Sir Walter Hotel, Raleigh, on Tuesday, March 5.

The meeting will include the yearly report of the president, J. B. Hutson of Washington, D. C., the election of officers and a 15-member board of directors.

Tobacco Associates, a non-profit, non-stock organization, was formed in 1947 to promote world markets for flue-cured tobacco. The organization is financed by growers through a 10-cent per acre self-assessment and annual contributions from supporting groups in the five flue-cured producing states.

Since 1910 more than 26,000,000 boys and leaders have been active in the Boy Scouts of America.
