

Assistant City Manager Post To Be Filled Soon

Seven candidates for the vacant position of assistant town manager for Southern Pines have been interviewed in the past few days and an announcement of the selection to fill the job will be made soon, Manager Louis Scheipers, Jr., said this morning.

The candidates—five are from Southern Pines—met with the Town Council at varying times during the past few days and went over their qualifications.

The Council has advertised in a number of publications circulated to the various schools and institutions which have schools or departments in city administration and had made a large number of other contacts in their search for someone to fill the position.

The post was left vacant when Scheipers, the former assistant manager, was elected to Manager to succeed Tom Cunningham, who resigned to take a teaching position in South America.

No more applications are being accepted.

INSTALLATION

Installation of new officers for the Rainbow for Girls, Sandhill Assembly, tonight at 7:30 at the Masonic Hall in Southern Pines. Parents and friends are invited.

Ice cream may be kept satisfactorily for one month if stored at 0 degrees Fahrenheit or below. Fruit ice cream should be stored at a lower temperature range, preferably at 2-5 degrees below zero. Softened or partially melted ice cream has a tendency to develop a coarse texture when the product is refrozen.
