

### Karaghuesian And Textile Union In Harmony On Shift

Steele L. Winterer, president of A. & M. Karaghuesian Inc., the giant carpet manufacturing firm that last week announced acquisition of the Amerotron plant in Aberdeen, said Tuesday in New York that the firm had no intentions of transferring other operations from its mills in New Jersey.

Winterer, meeting with William Pollock, president of the Textile Workers Union of America was attempting to erase fears that more of the company's facilities would move South than the union had expected.

The company said that moving its velvet carpet operation to Aberdeen would involve about 100 jobs. It now employs some 1,400 workers in plants in Roselle Park and Freehold, N. J.

### Army Casting Eye On Entire Platoon From High School

The Army, it appears, is centering some of its recruiting attention on not one, but the entire graduating class at Southern Pines High School this year.

Sgt. Paul Hawks, recruiting officer in Sanford, said this week he had been authorized to enlist an entire platoon of seniors who are graduating at the end of this semester.

The seniors, he said, would train together and, later, may serve together. To qualify, he said a prospective soldier must enlist for a minimum of three years.

The idea of the platoon system, a "buddy system" in Army parlance, was developed after the last war and has been a big morale booster for enlistments. Young men who enlist in the platoon system may also, prior to reporting for duty, select a technical school they wish to attend.

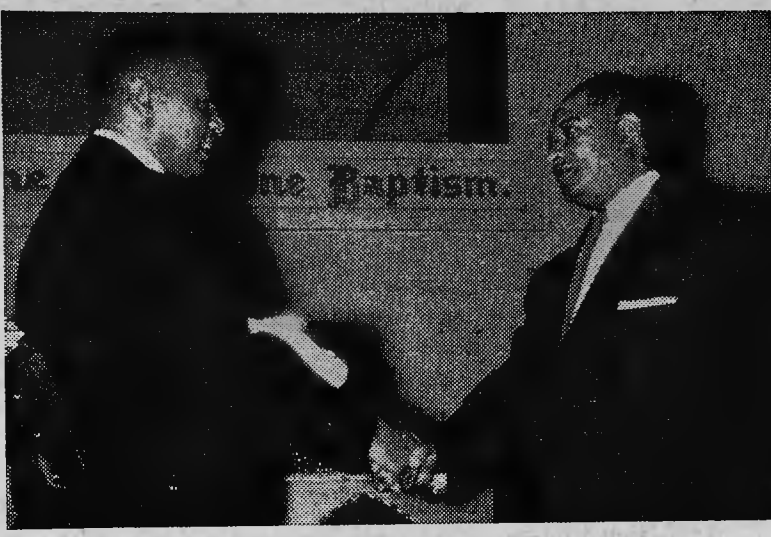

Sgt. Hawks, who is in the post office here each Thursday from nine o'clock to noon, said that other schools in this area will have the same plan for enlistment if enough applicants are interested.

### T. T. Morse, First Negro Member Of Town Council, Gets 'Citizen' Award

T. T. Morse, member of the Southern Pines Town Council and the first Negro ever to serve on that body, has been named "Man of the Year" by the Moore County Citizens Club.

Morse was accorded the honor at a meeting of the club Sunday night in the Baptist Church in West Southern Pines. J. W. Moore, principal of West Southern Pines school, made the presentation of a silver bowl on behalf of the club and said "No man deserves this award more."

George C. Murphy, former principal of the school in West Southern Pines and a leading citizen of the Negro area, said Morse had been chosen by a unanimous vote of the West Southern Pines Civic club as a candidate for the 1955 Town Council election. "This year," he said, "the club has again endorsed him."

He represents not only Negroes,

Murphy continued, "but every individual in the community. He is a credit to his race and has demonstrated his loyalty and deep interest in the affairs of the entire community of Southern Pines; the people here are proud to honor him."

Others speaking on the program were Hugh Mason and the Rev. E. L. McAdams of Aberdeen, the Rev. G. C. Gilchrist, Baptist minister, T. R. Goins and J. W. Moore.

In making the presentation Moore called attention to the fact that Morse, because of his position on the Council, had been called on numerous times to speak to Parent-Teacher associations in various parts of the state as well as other groups.

In accepting the award Morse said he was doing so with "profound enthusiasm, humble gratitude and a renewed energy for the task that we all know lies ahead."

Mrs. Morse, a schoolteacher in West Southern Pines, was also honored by the group which presented her with a corsage.

Morse is in the real estate and insurance business. The Citizens Club was recently organized to recognize Negroes for outstanding work in community relations and to act as a clearing house for new concepts in race relations. T. R. Goins is serving as temporary chairman.

### Schedule of Dog Vaccination Clinics For Moore County For 1957

The N. C. Law requires every dog to be vaccinated. Heretofore the law required that all dogs six months or older be vaccinated annually, but a different type of vaccine is being used in 1957. This year, all dogs four months old or older must be vaccinated, and the new vaccine is effective for three years. However, dogs being vaccinated under six months of age this year must be given a booster shot next year. G.S. 67-33 requires that every dog at all times be required to wear a collar with the owner's name and address stamped on or otherwise firmly attached to the collar.

The taxing authorities have furnished you with a numbered metal tag for each dog listed for the year 1957. PLEASE HAVE THIS TAG ATTACHED TO COLLAR WHEN DOG IS VACCINATED. When your dog is vaccinated be sure to get a receipt and a vaccination tag.

Beginning May 1, 1957, all dogs not vaccinated and listed for taxes will be picked up and impounded. Owners can retrieve their impounded dogs within five days by paying the cost, taxes, and by having the dog vaccinated. THIS LAW WILL BE ENFORCED. Save yourself extra cost by cooperating with the rabies control law.

The charge will be \$1.00 for each dog vaccinated. This charge is in effect at the clinics only. It will be more elsewhere.
