Sandhills Skeet Championships Set On Pinehurst Course This Weekend

The Sandhills Skeet Championships will take place at the Pinehurst Gun Club Saturday and Sunday, April 27 and 28, with last year's high over-all winner and double victor in the 410 and All-Bore events, Capt. Henry B. Stowers of Camp Lejeune, on hand to defend his titles.

Also expected to defend his crown in the 20 gauge event is young "Sandy" Wood of Greensboro, the 14-year-old lad who won the title last year in a shoot-off with Stowers.

Four championship events are on the program for decision. The meet will open with the Sub-Small Gauge (410) championship, a 50 target event to be shot Saturday morning at 9:30. Immediately following, a second 50 target event and a new one to this year's shoot, the Small-Gauge (28) championship, will take place. On Saturday afternoon the Twenty-Gauge will be fired, shooting to begin at one o'clock; and the All-Gauge (All-Bore) will be decided on Saturday, getting underway at 9 a. m. Both the latter are 100 target events, and all championship ties will be shot off in 25 bird strings. In addition, a High Over-All Award will be presented

ed for the combined high score of the four events—on the 300 targets of the program.

Among prominent shooters already registered for the meet are three top ranking experts from North Carolina: All-Bore champion Hunter Galloway of Greensboro, who is president of the North Carolina Skeet Association; the State 410 Champ, Jack King also of Greensboro; and winner of many past events, Ray Idol of High Point. In addition to Stowers, other members of Camp Lejeune's crack military team, world champions in 1952, are expected to enter the competition.

In conjunction with the championship awards there will be class trophy presentations in all four events, with a Ladies Championship in the Twenty-Gauge and All Gauge. There will also be a Junior Champion and team trophies awarded in the All-Gauge.

The shoot is run under National Skeet Shooting Association, and classification will be based on shooters N. S. S. A. registration card with the new N. S. S. A. classification system in use. Albert S. Tufts of Pinehurst is in charge of the arrangements for the two-day program.

Home Demonstration Club News

Jackson Springs Club

The Jackson Springs Home Demonstration Club met Thursday evening, April 11, in the home of Mrs. Pat Harmon, Jr. A profusion of lovely spring flowers created a colorful scene throughout the home.

The meeting was called to order by the president, Mrs. Claud Thomas. "Ho! For Carolina" was sung. Mrs. K. C. Blake led the devotions, using the Easter story from Matthew. The minutes were read and roll called by the secretary, Mrs. C. L. McDonald. During the business period Miss Flora McDonald made announcement of and urged everyone to attend the district meeting in Jonesboro Heights Baptist Church in Sanford, Tuesday, April 16.

The club decided to pay special honors to shut-in members by working in pairs each month to do something for each one. One new member, Mrs. Betty Grace Dickerson, was welcomed.

Miss McDonald, home agent, gave a lesson on "More Milk for the Diet." She stressed the need for milk, which is rich in calcium, phosphorus and minerals needed to build and maintain strong teeth and bones, to help regulate the heart beat and make strong muscles. She gave each member a number of appetizing recipes using milk or milk products. The club collect was used in closing.

The meeting adjourned to meet with Mrs. C. L. McDonald in May. Door prizes were drawn by Mrs. W. W. Hurley and Mrs. Betty Grace Dickerson.

During the social hour a slogan game was enjoyed. High score prize was won by Mrs. Ruth Flippen. Mrs. Harman served delicious refreshments in the Easter motif to the 22 members present.

We are very happy that one of our club members was chosen to represent the United Mills of Candor and Mt. Gilead in the South Piedmont Safety Council contest. We hope she will be se-

lected to represent the council in the State Safety Conference at Winston-Salem. Best wishes to Mrs. Paul Cole.

We are glad that one of our club members, Mrs. Mary Lou Carroll, had decided to be a permanent resident in our community. She has purchased and is now living in the Barnette home. —By Mrs. W. E. Graham, publicity chairman.
