Stanton Hill Club
The Stanton Hill Club met with Mrs. Howard Terrell for the April meeting. Mrs. Jesse Maples, the president, presided. During the business a collection for the Cancer Drive was taken. All members were urged to take advantage of the Cancer Clinics being held at Rex Hospital in Raleigh or Watts in Durham.

Our quilt tickets were turned in at this time with the drawing being made later in the evening at P.T.A. We were happy to present \$44.00 to the P.T.A. building fund. The lucky winner was Pete Phillips, who graciously gave it back to our club to be auctioned off later. We are grateful to Mr. Phillips for this.

Our agent, Miss McDonald, gave the lesson stressing the importance of milk in the diet. A demonstration of cheese cake, an especially delicious dessert, was made and sampled by all of us. This is a very easy and quick dessert to make during these busy spring days.

After the meeting adjourned a pink and blue shower was given

Mrs. Duemont Smith, followed by refreshments of cheese cake, cup cakes, potato chips and coffee. —By Mrs. Walter McDonald, publicity chairman.

Cranes Creek Club
"More Milk In The Diet" was the topic of the lesson when the Cranest Creek Home Demonstration Club held its April meeting with Mrs. A. L. Keith.

Miss Flora McDonald stressed the importance of milk in the diet of people of all ages. Milk is our most nearly perfect food. It not only furnishes proteins of the highest quality, but is our best source of the mineral calcium. We found that it would be almost impossible for the body to get the calcium needed daily without some milk. It is needed throughout life. Children need it to build strong bones and teeth. Adults need it to keep the bones from becoming brittle and easy to break. Miss McDonald used for her demonstration a refrigerator cheese cake. She gave a number of recipes using milk or milk products.

The club was happy to enroll

Mrs. D. M. Kenny as a new member. She had visited the club many times and we were glad to have her join.

During the social hour bingo was enjoyed, using the new finger tip cards recently purchased by the club for its recreational program. — By Mrs. R. R. Thomas, publicity chairman.

Roseland Club
It is not often that you see our home agent, Miss Flora McDonald, flustered or nervous. Usually she is as calm, cool and collected as a cucumber. She wasn't quite so serene, though, at the April meeting of the Roseland Home Demonstration Club, which was held at the community house.

Mrs. Barney Kirk, vice-president, was presiding and business matters were being discussed when Mrs. W. E. Brown interrupted to say, "There's a man at the door."

Sitting nearest the door, Mrs. Robson went to greet the caller. Opening the door she first saw a caged-in pick up truck.

"Looks like the dog catcher," she said.

"No, I'm not the dog catcher," replied a big, tall man dressed in gray work clothes as he peered around the corner of the building. "I'm looking for a couple of boys who've escaped."

"Oh, you mean prisoners?"

"Yes, a couple escaped near Troy yesterday and I think I saw them just now in that field yonder. I was wondering if there's a man here whom I could get to go with me in his car. Those men would spot my state truck in a minute and I wouldn't have a chance of catching them."

"Not a man here—but there're several women with cars. Just a minute."

Stepping inside she related the story. Miss Flora said: "That's a job for a man and we don't want to get mixed up in it. It might be dangerous. Tell him to get a man."

"He can use my car but I sure won't go with him," said Mrs. Barney Kirk.

So off he went in her car and the women sat down to resume the meeting. Mrs. Kirk forgot the remainder of the business and turned the meeting over to Miss Flora who pulled back the drapes so she could view the out-
