DAR CHAPTER OPENS FALL SEASON WITH PICNIC AND PROGRAM AT OLD BETHESDA

Members of the Alfred Moore Chapter, Daughters of the American Revolution, celebrated a resuming work for the fall with a picnic at historic Old Bethesda Church near Aberdeen last Saturday, Columbus Day.

The Aberdeen Daughters composed the committee on arrangements. The church was decorated with red, white, and blue flowers, and as the day was cool, a fire was going in the old church stove. In spite of having to serve the lunch inside, due to the chilly weather, the Daughters found the picnic hour a most enjoyable one, with a bountiful lunch, good hot coffee and much good fellowship.

The Regent, Mrs. L. P. Tyson, recognized Columbus Day by opening the meeting with the reading of the poem, Columbus, by Joaquin Miller.

The historic significance of the church was also noted, it being said that Old Bethesda derived its name from the pool by the sheep market at Jerusalem in Bible times, the waters of which were said to possess healing powers, and to which were brought the halt, the blind, and the withered folk to be made whole of whatever disease they had.

In this connection, Mrs. Talbot Johnson stated that one of her grandchildren was baptized at Old Bethesda Presbyterian Church with water which she and Mr. Johnson had brought back with them from the pool of

Bethesda in Jerusalem when they went abroad recently.

Mrs. Irma C. Smith of Candor was welcomed into the chapter as a new member.

Mrs. Tyson announced that the Carthage members had held a rummage sale for the benefit of the Alston House. Mrs. Ralph B. Jordan, District Director, gave a report from the District Conference in Albemarle, held October 2nd.

Reports were made from the various towns on what the members did to observe Constitution week.

The new year books were presented by Mrs. H. W. Doub, vice-regent. An interesting and provocative program for the year had been arranged under the general theme: "Our Goodly Heritage."

The program consisted of a talk by Mrs. E. M. Medlin in which she sympathetically interpreted the thoughts and emotions of a foreigner during the process of becoming a naturalized citizen of the United States. It was entitled, "I Am An American."

Mrs. Doub announced that Mrs. Harry S. Cobey, State Chairman of National Defense, would be the guest speaker at the November meeting which will be held in Southern Pines.

On closing, the members repeated in unison the State theme: "Be informed; be generous; be inspired; be loyal; be active; be notable; be thankful Americans."

BROWNSON PRESBYTERIAN WOMEN HAVE GUEST SPEAKER AND ELECT OFFICERS

The Rev. Oscar Gardner of Hugo, Okla., superintendent of Goodland Indian Orphanage and pastor of the First Presbyterian Church there, was guest speaker when Brownson Memorial Presbyterian Women of the Church met in monthly session in the sanctuary Monday night.

Mrs. J. W. Causey, chairman of Church Extension, was in charge of the program.

The Rev. Mr. Gardner gave interesting historical facts regarding the Indians who settled in Oklahoma, and of the work of the Presbyterians among the tribes. He also discussed the orphanage, which is supported by the Presbyterian Church, and explained the special offering for

Church Extension, 80 percent of which is used within the State, with the remainder going for outside projects. A church extension offering was made at the meeting.

Halloween Festival Planned For 29th At Local Methodist Church

A Halloween Festival of wholesome family fun is planned for Tuesday night, October 29, at the Southern Pines Methodist Church, and the public is invited to attend in costume, to add to the gaiety. There will be a small admission charge, also tiny fees for visiting special booths, and all receipts will be donated to UNICEF, the United Nations Children's Fund.

Many attractions have been planned. There will be a puppet show, games for adults and children, bobbing for apples, fortune telling, fishing, a house of horrors, and other exciting booths.

The United Nations Children's Fund helps underdeveloped countries in their fight against the dread diseases which affect millions of their children; in their struggle to provide adequate nutrition for their growing youngsters; and in developing sound child health practices.

Halloween pennies, nickels and dimes can do wonders in this effort; a nickel provides enough penicillin to cure one child of yaws; a penny provides the vaccine to inoculate one child against TB; and a penny provides five large glasses of milk.

In this Festival, the aim is to combine traditional fun with a constructive purpose, making it a real festival of good will.
