BROWNSON WOMEN OF CHURCH HOLD BIRTHDAY PROGRAM ON MISSION WORK

The annual Birthday meeting of Brownson Memorial Presbyterian Women of the Church was held Monday night at the church, with a large attendance.

Mrs. A. L. Burney presided and Mrs. William John Graham, Jr., led the devotions.

Mrs. Frank Pollock, chairman of Stewardship, led the program, which was on the 1959 Birthday objective: the building of a training school for lay workers in Brazil. A panel composed of Mrs. Joe Marley, Mrs. C. K. Ligon, Mrs. Walter Harper and Mrs. C. C. McLean assisted Mrs. Pollock in presenting the need for such a school, and a generous offering was made for this cause.

Following the program, Mrs. W. M. Mitchell, chairman of Social Activities, invited the group to the fellowship hall for the social phase of the birthday celebration, which was one of the most enjoyable yet held.

The refreshment table, decorated by Mrs. Mangum Webb, was attractively done in green and yellow, with a floral arrangement and yellow candles. Brazilian sweets were served and Mrs. Walter Harper poured punch.

Twelve tables for the seating of those present had been decorated by the various circles, one for each month of the year, and each person sat at or near the table decorated for the month in which she was born. Many clever ideas were carried out with pleasing results. The January table featured the New Year theme; February, Valentine Day; May, May Day with a May-pole whose streamers led to baskets of pansies; June, a bridal note; and on through the year to a colorful Christmas table.

The meeting closed with all present joining hands and sing-

ing "Blest Be the Tie." Serving with Mrs. Mitchell on her committee were Mrs. William K. Caton and Mrs. T. C. Worth, Jr.

Many entertainment features have been planned for the ladies, and they are invited to attend all of the convention meetings. A tour of Clarendon Gardens is scheduled for Monday morning, and that afternoon there will be an "Hour of Charm" at the Carolina Hotel, presented by the Nancy Taylor Charm and Modeling School of Raleigh.

Bridge and bingo will feature Tuesday morning, and at the convention banquet Tuesday night, a special ladies' grand prize will be awarded.

"To Show That We Remember . . ."

"Wear a poppy!" This is the appeal which will greet Southern Pines citizens on the morning of Saturday, April 25, from the American Legion Auxiliary's Poppy Day volunteers. On that day everyone will be asked to wear a poppy as a personal tribute to America's war dead.

"Wearing a poppy on Poppy Day is the way to show that we remember and are grateful to those who gave their lives in our country's defense," said Mrs. G. L. Culler, president of the Auxiliary. "It is an individual gesture of devotion to the cause in which they died—the cause of free America."

A corps of volunteers from the Auxiliary and other girls' and women's groups has been organized to distribute the flowers on Poppy Day, and receive contributions for the Auxiliary's work in behalf of disabled war veterans and needy children of veterans. Silk poppies made by war widows and orphans in France were first used for poppy sales, and later the making of crepe paper poppies by American disabled veterans was begun. Those to be sold here were made by disabled men in the Veterans Hospital at Fayetteville.
