Several Moore County men have enlisted in the US Army according to Sergeant Paul Hawks, Army recruiter, who serves this area.

Three of these graduated from Vass-Lakeview High School in June. They are Garland L. Patterson, Route 3, Carthage; Frank E. Garcia, Lakeview, and Tyrone R. Medlin, Route 2, Carthage.

Larry A. Edmonds, Pinehurst, a graduate of Pinehurst High School and James B. Greene, Jr., of Robbins, who graduated from Elise High School in June, enlisted also.

Recruit Patterson qualified for and received approval to attend the Aircraft Maintenance School at Fort Rucker, Ala., after basic training.

Recruit Garcia selected assignment to a classified unit in the Army.

Recruit Medlin enlisted for Army Airborne, and will enter jump school after basic training.

Recruits Edmonds and Greene qualified for and received approval to attend the Radio Teletype Operator School.

All were forwarded to Fort Jackson Reception Center and will take basic training there or at another Army training center and upon completion all will normally receive a short leave at home before entering schools or next assignments for which they enlisted.

### THEATRES SUNRISE

In "The Sign of Zorro," the Walt Disney Studios preserve to the hilt the prowess and fabulous character which Johnston McCullie wrote into his slashing novel three-generations-of-readers ago. The film is now playing at the Sunrise Theatre.

The romantic action drama will serve to rank the famous masked rider against evil doers of Spanish California securely among the all-time top fiction heroes of popular favor — the Robin Hoods, the Don Quixotes, the Monte Cristos, the D'Artagnans and all that honorable company.

Guy Williams, well known American star, plays the Zorro role with the dash and fire and romantic fervor required of the character. But he also has the sincerity which gives the avenger a credible human appeal and the story of his escapades believability instead of the theatrical swashbuckling often associated with the classic latter-day hero.

With Britt Lomond as Williams' adversary and a company of brilliant talents in support, Co-Directors Norman Foster and Lewis R. Foster give "The Sign of Zorro" top entertainment quality in a blend of fun and fury addressed to adults as well as young audiences.

### Home Demonstration Club News

#### Bethlehem Club

The Bethlehem Club held its June meeting with Mrs. Tracy Seawell. We had a large attendance. The members were to wear the dresses they had made but many did not, so we decided to wear them to the next meeting.

The subject was "Utility and Workrooms." Many women are interested in a workroom where we can work comfortably and conveniently especially, at this time of year when there is lots of canning to do. Games and refreshments were enjoyed by all the members.

By Mrs. W. G. Benner, Publicity Chairman.

#### Eagle Springs Club

The Eagle Springs Home Demonstration Club met in the home of Mrs. Marvin Reynolds for the June meeting with Mrs. John Monroe presiding over the meeting in the absence of Mrs. W. W. Rankin, the president. Mrs. Ed McKenzie gave the devotions and prayer. Mrs. J. C. Comer gave the secretary's report and roll call in the absence of the secretary, Mrs. Grady Peppers.

A very interesting lesson on "A Utility Room" was given by Mrs. J. C. Comer. Mrs. Reynolds, assisted by her daughters, Betty Lou and Janice, served refreshments consisting of a salad on lettuce, crackers and ice tea.

The next meeting will be in the home of Mrs. Frank Blake on July 11.

By Mrs. Frank Campbell, Publicity Chairman.
