Complaint Filed By Miss Sears on Transfer of Land

In a complaint filed in the clerk of court's office in Carthage last week, Miss Eleonora Sears of Massachusetts, a winter resident at "The Paddock" on Bethesda Road, near Southern Pines, seeks recovery of land from Mr. and Mrs. W. O. Moss of Mileaway Farm, alleging that she was defrauded.

The land, according to the complaint, is a portion of 148.7 acres which she purchased in three tracts from Vernon C. Cardy, former owner of The Paddock, in 1955.

After Miss Sears bought the Cardy land, the complaint states, she formed a close friendship with the Mosses and, according to the complaint, they were kind, cordial and hospitable to her and did her many favors and she trusted them completely. The complaint also states that Mr. Moss acted as her agent in handling her North Carolina property and that he had some construction work done for her.

The complaint alleges that in February, 1956, Mr. Moss induced Miss Sears to sign a deed for land which she thought was no more than a half acre or at most an acre, but that the deed was in fact

for 108.7 acres.

According to the complaint, she signed the deed because Mr. Moss had previously indicated to her a small strip of land (which she understood to be, the complaint says, "just a few feet along the road") which Mr. Moss said Mr. Cardy had promised to give him but had not done so before he moved away.

An answer to the complaint has not yet been filed by Mr. Moss.
