Hunting For Deer Of Either Sex Set In Nine Counties

Eight localities in nine counties will be the scene of either-sex deer hunts in December, according to the Wildlife Resources Commission. Director Clyde P. Patton said that the 1961 Legislature made it possible to give hunters a choice of either antlerless or antlered deer on areas where doe deer hunts have been approved.

Archers will be given six days of this type of hunting—from October 30 to November 4 in western localities and from October 9-14 in eastern localities.

Patton said that hunters taking antlerless deer on the hunter's choice hunts must take them to checking stations for tagging. The daily bag limit is one deer, two in possession and two per season.

Hunts for deer of either sex have been scheduled in designated areas of Montgomery, Stanly, Burke, Madison, Henderson, Craven Counties. Full details of times and places can be obtained from wildlife protectors or from the Wildlife Resources Commission at Box 2919, Raleigh.

Teachers to Attend NCEA District Meet At Asheboro Friday

The Thirty-Ninth Annual Convention of the Central District of the North Carolina Education Association will be held in Asheboro on Friday, September 29. Representatives of the Southern Pines, Pinehurst and Moore County school systems plan to attend.

Plans Announced For Art Awards Program

High school students in Piedmont and Central North Carolina will again have the opportunity to receive public recognition for their achievement in art through the Scholastic Art Awards program which will be sponsored for the fifth consecutive year by WFMV-TV, Greensboro TV station.

Miss Jeta Pace of the station will act as coordinator of the project which last year handled more than 2,000 entries. The program is sponsored nationally by Scholastic Magazines. Interested students may obtain further information through their schools.

The general session is scheduled for the High School Auditorium as more than 1,500 teachers gather for the day-long meeting.

Presiding over the meeting will be Derwood Huneycutt Salisbury, president.

Phillip Lovejoy, Utica, New York, will speak to the general

session on "The Human Factor in Education." Lovejoy is former General Secretary of Rotary International and executive director of Children's Home Society of Florida.

Dr. A. C. Dawson, NCEA Executive Secretary, will discuss Associational activities and challenge the teachers to improve

their professional status. During the day 25 divisions and departments will meet for the purpose of professional improvement in their areas of teaching and administration. Each of the 25 groups will hold a business session and elect new officers.

Moore is one of eight counties in the district.

Now here—a great new exclusive from Buick

ADVANCED THRUST

Moves power forward for arrow-straight going

It puts the engine ahead like the tip of an arrow • It tames "wind wander" and road sway • It sweeps you forward in a hush of luxury • It turns the floor hump into foot space.

WHAT IT IS—Buick's big new move: It positions the great new Wildcat V-8 and Turbine Drive way up front over Buick's front wheels.

WHAT IT DOES—As the engine went forward, the floor hump went DOWN. And, the forward weight makes wheel response far quicker, cornering far surer, ride far smoother.

WHY YOU'LL LOVE IT—It's the closest you can come to sports car handling, in a passenger car. Distances shrink before its 3/4-G thrust. Hills disappear. Lean on curves is gone because the frame's gone wider. Winds don't make you wander. It's going at its Buick best!
