Sgt. Paul J. Biggs, Marine recruiter, has announced that interested young men may contact him at the post office building in Fayetteville on Mondays and Thursdays from 9 a. m. to 4 p. m. At other times he can be contacted at the Marine Recruiting Station in Raleigh.

Sgt. Biggs said that the Marine Corps has unlimited openings for enlistment. This is a change from several weeks ago when volunteers had to wait for as much as 120 days before assignment to active duty.

Men joining the Marine Corps undergo recruit training at Parris Island, S. C., or San Diego, Calif. Upon completion of recruit training, they are assigned to duty and schools in such fields as communications, engineers, administration, infantry, and others, for further assignment to the Marine Ground-Air combat team.

Ford introduces for 1962 two distinguished new series: Galaxie & Galaxie/500

*Enduring elegance... with the power to please*

With Thunderbird styling... Swift as a rumor, silent as a secret, Galaxie '62 has the timeless distinction and talent for travel of the Thunderbird that inspired it. Every quiet mile whispers: here is a new standard of quality. And every luxurious detail confirms it. This is the car that introduces twice-a-year maintenance. Routine service is reduced to 30,000 miles on many items such as major lubrications, twice a year or 6,000 miles on the rest. We suggest you see the new Galaxie and Galaxie/500 (shown above) for yourself. We are confident you will agree: it's pointless to pay more—or settle for less.

Now... twice-a-year maintenance reduces service to a minimum!
