

### Missing Equipment Was Not Stolen

The mystery of the guns and fishing equipment which disappeared from the Midland Road home of M. C. Hufford has been solved.

Mr. Hufford told Deputy Sheriff J. A. Lawrence, who was investigating the reported theft, that he had found out his son, who lives at Norfolk, Va., borrowed the equipment during the summer and forgot to tell him about it.

Mr. Hufford, manager of The Manor, at Pinehurst, a resident of Buffalo, N. Y., during the summer, reopened his winter home September 15. Some days later he reported the sports equipment missing, but could not determine whether it had been taken while the house was closed for the summer or after his return. Word from his son this week cleared up the "robbery."
