**a glass of beer
means many things**

All over North Carolina county fairs are in progress in October. This historical phenomenon is symbolic of carnival time in rural America—a period of relaxation after the harvest is gathered.

Another symbol of relaxation that goes along with this time of year is a glass of beer, the light refreshment of moderation which also produces important tax revenues particularly to the benefit of those areas where its "legal sale" is permitted.

**Blue Knights Lose 21-6 to Fairmont;
To Play Rohanen in Homecoming**

By RONALD McCORMICK

The Southern Pines Blue Knights lost to the Fairmont Tornadoes 21-6 at Fairmont Friday night. The Tornadoes came back in the second half to score three touchdowns and to win their homecoming game. The game was scoreless in the first half. In the first quarter the Knights penetrated to the Fairmont four-yard line where they were held. The Tornadoes were held outside the Knights 40-yard line the first half.

On the third play of the second half, quarterback Tommy Grooms broke through the defense and ran 54 yards to score for Fairmont. Half-back Edwin Lewis kicked the extra point, giving Fairmont a 7-0 lead. Later in the third quarter, the Blue Knights started a drive on their own 34-yard line. After six plays, the Knights crossed the goal line, when quarterback Eddie McKenzie ran 37 yards to score. The Knights tried to run the ball for the extra point, but it was stopped short.

The Tornadoes then started another drive on their 30-yard line. They moved the ball to their 47-yard line, where Grooms passed 37 yards to Lewis for the score. Grooms kicked the extra point. Fairmont then kicked off with

an on-side kick which they recovered. Starting on their own 48-yard line, they marched to the Knights' two-yard line in six plays. Grooms ran the quarterback sneak to score for the Tornadoes. Lewis again kicked the extra point.

End Harold Williford received five passes for the Knights. Eddie McKenzie, Wally Wallace, Johnny Bristow, and Jerry Bradley, played a very good game.

The Knights had six first downs; the Tornadoes had seven. Southern Pines gained 127 rushing yards and 75 passing yards, and completed 8-13 passes. Fairmont gained 180 rushing yards, 131 passing yards, and completed 6-11 passes. The Knights punted four times for a 35-yard average, and were penalized 40 yards. Fairmont punted once for 40 yards and was penalized 40 yards. Fairmont punted once for 40 yards and was penalized 58 yards.

Friday night the Southern Pines Blue Knights will play the Rohanen Rebels for their Homecoming game. (See front page story today).

Last week Rohanen scored a 7-0 victory over Red Springs. The Knights lost to Red Springs 20-18. With extra spirit and desire to win, the Knights should have a close contest. Game time is 8 o'clock.

**Three Charged With Operating Still in
Little River Township Near Harnett Co.**

Three men have been arrested by Moore County ABC officers and federal Alcoholic Tax Unit offices in connection with operation of a "good-sized" whiskey still near the Harnett County line in the Cypress Church community of Little River township.

They are: Edgar James Hailey, 46, Route 2, Cameron, who was apprehended at the still Friday morning; James Alvis Peterson, 28, Route 2, Vass; and Calvin Eunice Chalmers, 36, Route 8, Sanford. All are Negroes. Peterson and Chalmers, also said to have been at the still Friday, ran and evaded officers at that time but were arrested early Sunday morning—Chalmers at the home of a brother, Peterson at the home of Hailey's father.

All waived hearing before U. S. Commissioner John Lang at Carthage and made bonds for appearance at the March term of federal court in Rockingham. Bond was set at \$750 for Chalmers and at \$500 for the other two. They are charged with operation of an illegal distillery.

Officers working on the case, both Friday and Sunday, were chief Moore County ABC Officer C. A. McCallum, ABC Officers June Cockman and Edward Floyd and two ATU agents.

Two automobiles were also seized by the officers, on evidence of goods and wares for liquor manufacture found in them. Officers estimated that the still had been in operation about three weeks.

McCallum described the still as a 102-gallon submarine type. Seized and destroyed were 520 gallons of mash, over 11 gallons of whiskey, nine 60-gallon and three 55-gallon fermenter barrels, 60-gallon cooler, 30-gallon keg doubler, 21 half gallon jars, a 26-pound gas cylinder burner fed by bottled gas, and various tubs and buckets.

All three of the men have court records for liquor offenses, McCallum said.

(Note: In an item in last week's Pilot, about the capture of a still and arrest of one man, near Ador, the name of ABC Officer Cockman was inadvertently omitted from the list of officers taking part in the raid.)

During 1960 more than 23.5 million cords of pulpwood, the raw material used by the pulp and paper industry, were cut in 12 Southern states. An all-time high, the total pulpwood harvest was 4 per cent greater than in 1959.
