

Ruritan Club at Jackson Springs Installs Officers

Installation of the 1962 officers was the highlight of the Jackson Springs Ruritan Club meeting last week. Outgoing President Elrie Thomas presided at the meeting at which J. C. Comer, president of the Eagle Springs Ruritan, installed the following officers: president, John Patterson; vice president, Paul Cole; secretary, J. B. O'Quinn; treasurer, Ol-

lie F. Currie; new director, Edgar McNair. J. B. O'Quinn received the "Outstanding Ruritan of the Year" award. The club members and guests enjoyed a buffet supper served by the Jackson Springs Home Demonstration Club.

REMEMBER

If you are taking a trip this weekend, remember to allow extra driving time in case the weather turns bad. Winter weather can be notoriously changeable, and good roads can become slippery soon after a light snowfall.

Rotary Club to Have Christmas Party Tonight

The Southern Pines Rotary Club is having its annual Christmas party and Ladies Night tonight (Thursday) at the Country Club.

Arch Coleman of Virginia Beach, Va., a former member and now "honorary member" of the club, will be the speaker. A small group of young people, directed by Miss Cathy Sandstrom, will perform. Tonight's event replaces the regular Friday luncheon meeting

of the club this week. At last week's meeting, club members, with a number of wives also attending, saw a film depicting the work of the Food and Agriculture Administration of the United Nations.

Mrs. Ernest Ives, sister of Adlai Stevenson, U. S. ambassador to the United Nations had expected to be present, but was unable to attend because of illness. Mr. Ives was present, as was Miss Lockie Parker, whose brother, Frank Parker, is deputy director of the UN Food and Agriculture Administration, at the organization's world headquarters in Rome, Italy.

The film showed the need for additional food in many parts of

the world and what the UN is doing to help farmers of various nations increase food production by improvement of seeds, disease eradication and other methods. The film makes the point that the answer to the world food problem is not for the United States to give away its food surpluses, but rather to help needy nations become more productive.

Ambassador Stevenson appears at the end of the film, summing up its message.

The Rotary Club announced this week that it will sponsor an appearance of the Charlotte Boys Choir here on Friday, January 12. Tickets will be on sale within a week, said Arthur Rowe, the club's publicity chairman.
