

**S. E. Comstock,  
Winter Visitor  
Here, Succumbs**

Funeral services were held Tuesday in the Episcopal Church at Newark, N. Y., for Stephen E. Comstock, 85, a winter visitor to the Sandhills for many years, who died Sunday in a Newark hospital.

Mr. Comstock was founder of the Comstock Cannery Co., and had been president and chairman of the board of the Snider Packing Corporation of Roches-

ter, N. Y., which was sold to General Foods corporation in 1943.

Mr. Comstock and his wife, who died about two years ago, spent many of their visits here at the Mid Pines Club and had also stayed at the Carolina in Pinehurst and had rented a cottage at Pinehurst. He rode with the Moore County Hounds in former years.

Mr. and Mrs. Comstock attended Emmanuel Episcopal Church here and the church was among the beneficiaries of his extensive generosity in charitable, religious and civic causes.

Newark, N. Y., is located near Rochester.

ors, L. B. McKeithen, Herman Matthews, James Teague, C. L. Reynolds, Herbert Bost, O. T. Parks and D. A. Dunlap. Without the selfless contribution of these men there would be no Soil Conservation Service operating in Moore. The SCS, as an arm of the L. S. Department of Agriculture, will not furnish technical assistance without the organization of local people to direct operations and form policy.

On December 13 the local supervisors met in Carthage to chart operations for 1962. Among the specific needs to be met and those requiring immediate attention are the conservation of water, the improvement of the forestry program, and the financial needs of the District.

They felt that excellent progress was being made in the conservation of water. Poor progress is being made in the forestry program because of lack of personnel to assist landowners in this important activity. The supervisors commended the county commissioners for the decision they made recently toward obtaining the services of a forester to work as an assistant agricultural agent. The District program is being hindered by lack of clerical assistance in the office of the Soil Conservation Service. They noted that the County provides only one thing, office space, for the SCS. The county does not provide any supplies or equipment, it does not provide clerical help, it does not even provide a telephone, and provides no financial assistance. The supervisors feel this situation needs correction.

**COURT**

(Continued from page 1)  
Hogg, Pinehurst, 50 in 35 zone and discharging stop sign, \$15 and costs; John Kerr Holland, Pinehurst, 49 in 35 zone, \$14 and costs; James Kenneth Cook, Charlotte, 48 in 35 zone, \$13 and costs; Asber C. Godwin, Jr., 47 in 35 zone, \$12 and costs; Benjamin Clyde Gullledge, McCain, 47 in 35 zone, \$12 and costs.

Paying \$10 and costs for speeding 45 in a 35 zone were: Josephine C. Menches, Milton Everest Jones of Pinehurst, Loyce Stanley Poppa of Route 1, Carthage, and Vencie W. Greene of Pinehurst. Thomas Oscar Jones of Route 3, Carthage, paid the court costs and chose to walk home to Carthage

in lieu of paying a fine.

Other traffic cases tried: Frank Junior Jones, Route 3, Carthage, disregarding stop sign, \$5 and costs; Haywood W. Bunnell, Route 3, Carthage, same charge, same penalty; Curtis Lonnie Wade, careless and reckless driving, found guilty of improper passing, passing at intersection and failing to give audible sound of intention of passing, pay the costs and be confined to jail until 6 p. m. on day of trial; James Elmer Harrington, Jr., Pinehurst, permitting an unlicensed person to drive a motor vehicle owned by him, \$25 and costs; Janice Joan Elkins, no valid operator's permit, \$25 and costs.

Other cases: William Joseph, Jr., Laurinburg, worthless check, nol pros on payment of the costs and amount of check; June Turnage, public drunkenness, one month suspended for 12 months on payment of \$10 fine and costs, not to be convicted of a similar offense in 12 months; Marie Kelly, Route 2, Vass, assault, nol pros with leave on payment of costs; James Herman McNeill, assault, prayer for judgment continued on payment of costs.

Reported in last week's Pilot were two other cases: David Hector Johnson of Route 3, Fayetteville, waived hearing on a charge of obtaining money by false pretense; and Edward Stubbs of Southern Pines was given a hearing on charges of careless and reckless driving and manslaughter, following an automobile accident in which two persons were killed. Both cases were transferred to the January term of Superior Court at Carthage.

**PROJECTS**

(Continued from Page 1)  
its state headquarters here also and will build on a donated site. The United Telephone Co. of the Carolinas built and moved into a new office building. George C. Davis is building an apartment

house of several two-bedroom units at the corner of May St. and E. New Hampshire Ave.

Moore Memorial Hospital at Pinehurst, expanding its X-ray and pediatric services, announced plans for a \$1,768,000 wing, with several large gifts already made toward the \$800,000 to be raised locally. St. Joseph of the Pines hospital, also through gifts, expanded its emergency service and several other facilities.

At Whispering Pines, fast-growing lakeside development between Southern Pines and Carthage, a new country club and golf course are under construction. Also in the recreation field, new private swimming pools were built at the Southern Pines Country Club and at Pinehurst and Robbins.

**KENNEDYS**

(Continued from page 1)  
When the work was about halfway along, the Kennedys assumed the rest, along with a debt which, thanks to the help they received, is of manageable proportions. Actually, the house isn't entirely finished yet, but in three months of occupancy they have provided many touches which make it home.

The 24-year-old husband is installing a septic tank. The bathroom remains to be completed, and cabinets to be built on the kitchen walls. Nancy made her living-room curtains on the sewing machine which was the only thing saved from the fire—a neighbor reached through a door and dragged it out.

And, to ease the ache of their baby's loss, another child is on the way—due soon. They don't much care if it's a boy or a girl. "It won't take Beverly Kay's place, but it will make its own place, and looking forward to it has already made things easier," says Nancy Hall Kennedy who is 23.

"As if they hadn't done enough—when we moved in we had planned to have a house-war-

ing for the neighbors, to sort of say 'thank you'—but they beat us to it, bringing lots of useful gifts, then soon after that, gave us a baby shower.

"The kindness of people has been shown to us this year in ways we might never have known if that terrible fire hadn't happened. We never knew people could be so good. There just aren't words to say 'thank you' but they have made this a happy Christmas for us."

**A NEW BREAST FORM FOR POST-MASTECTOMY**

Now a revolutionary solution to a delicate problem. The base of the form is a shaped mound of soft pliable plastic foam. Sealed to this base is a thin, washable plastic shell from which air is removed and a self-sealing liquid injected to match the normal breast. The liquid responds rapidly and silently to the slightest motion—it's so natural even you can forget. The entire form is enclosed in an easily laundered nylon cover for insertion into the pocket of any bra desired. Developed in concert with leading surgeons. Ask about TruLife today.
