

MOORE COUNTY RECORDER'S COURT

Three Sentenced in Robbery of Frye Store, Service Station December 18

Two Rockingham men and a woman from Eagle Springs were sentenced Tuesday in Moore County Recorder's Court at Carthage on charges arising from the robbery of the William Frye Store and service station in Bensalem township December 18.

Robert "Bobby" England, 26, and Mitchell Goodwin, 18, were acquitted of breaking and entering, but drew two years and 18 months on the roads, respectively, for the larceny of cigarettes, canned goods and other wares to the value of around \$50. Mamie England, wife of Robert, though 15 years older than he and listing another address, pleaded not guilty, was convicted of aiding and abetting, and was sentenced to serve six months in the Women's Division of State's Prison at Raleigh.

Robert "Bobby" England was additionally sentenced to 18 months, following the expiration of his first term on the roads, for the theft of a shotgun and clothing valued at around \$200, the property of Carson Frye. Testifying in the case were Deputy Sheriff I. D. Marley and Chief Deputy H. H. Grimm.

A case of theft of false teeth was not pressed on recommendation of the solicitor. Roy Edward Burns had been arrested for stealing two sets of dentures valued at about \$100 belonging to Dr. W. E. Alexander, Robbins dentist, also of clothing belonging to Newland Garner, valued at about \$50.

Albert Hicks, 45-year-old white man of Vass, Route 2, drew 15 days in Moore County jail for beating his 10-year-old daughter Shirley Mae on December 29. He had been charged with assault and battery on a minor child, and pleaded guilty to "spanking her." However, the court found that the beating administered by the defendant "while in an intoxicated condition" was not done "in a reasonable or humane manner or in his prerogative as a father, for the purpose of reasonably punishing her for misconduct or disobedience." His jail sentence was suspended for 12 months on payment of costs and on good behavior conditions, which included refraining from taking any alcoholic beverage home and drinking in the presence of his children.

Junior Jordan, 19-year-old Robbins youth, was in court for disorderly conduct, malicious damage to property and assaulting his mother, soon after completing a jail sentence for such an assault, one of several with which the court has had to deal over the past several years. This time, he had thrown rocks at his mother, Hattie

DEADLY WEAPON

Woman's Slipper With Spike Heel Used in Assault

If you've had a feeling the spiked-heeled shoes women are wearing these days look rather like deadly weapons, you are right. That's the way one was classified in a warrant read Tuesday in Moore County Recorder's Court at Carthage.

Winnie Jane Pratt, 29, of Vass was charged with unlawfully and willfully assaulting Rosia E. Nixon "with a deadly weapon, to wit: a woman's spike-heeled slipper."

For the assault, and also for assault and battery on a peace officer, and for "resisting, delaying and obstructing said peace officer in the performance of his duties," Winnie Jane drew 90 days in Moore County jail, suspended for two years on payment of \$50 and costs and good behavior conditions, which included no similar offenses during the two-year period.

Vass Night Officer James R. Grissom issued the second warrant, charging her with biting and scratching him and otherwise failing to cooperate when he tried to break up the scrap in which the spike-heeled slipper was being used as a weapon.

The sequence of events took place during a Christmas night celebration at the Vass Capital Club, a Negro night spot.

Jordan, and with the rocks had broken out windows in the home. Jordan has served time on the roads and in jail and has been in mental hospitals, where he refused to stay. A training school turned him down last fall because of his age and record. This time, Judge J. Vance Rowe sent him back to Moore County jail for six months, to do such work as a state medical officer might determine he is able to do, recommending also that he be examined with a view toward getting him into some institution for treatment, suspending the sentence provided such an arrangement can be effected.

Two defendants pleaded guilty to third offenses of drunken driving, and were sentenced to serve 12 months each on the roads. One was Harvey William Lowe, 34, of Carthage, arrested on NC 27 January 1, the other Howard Mack Garner of Seagrove Route 2, arrested on NC 705 December 19. Both arrests were made by Trooper T. S. Clark. The judge ordered the drivers' licenses of both men to be surrendered to the Motor Vehicles Department, for revocation as provided by law. This would be a permanent revocation.

Other cases disposed of: Melvin G. Chute, Fort Bragg, speeding 90 in a 53-mile zone, 60 speeding 90 in 55-mile zone, 60 be revoked for six months, not pros taken on charge of driving without license; Richard Curtis Combs, Fort Bragg, allowing another to operate his auto at 90 in a 55-mile zone, not guilty; Lehman Nelson Barfield, Jr., abandonment and non-support, called and failed, capias to issue returnable next Monday, bond \$300, sub poena for state's witness, sci on bondsman; Willie Harrison Williams, speeding 55 in 35-mile zone, capias to issue returnable next Monday, bond \$50.

Payment Made from Fund for Care of Union Church Grounds and Cemetery

Sunday, December 31, 1961, was a red letter day in the history of Union Church and Cemetery.

Sunday afternoon Wilbur H. Currie of Carthage met with the session of Union Presbyterian Church, located about midway between Carthage and Vass, and presented to the session a deposit receipt for \$1,200 received from a \$30,000 trust fund to be used to beautify the cemetery and grounds of the historic old church.

In 1945 Wilbur H. Currie and a half dozen others interested in the perpetual upkeep of the Union Church Cemetery and Church grounds started a drive to raise a perpetual care fund. Others in addition to Mr. Currie were John R. McQueen, W. H. McNeill, W. D. McNeill, T. L. Blue, John S. McLaughlin and Make McLean.

It was a bright day, and yet a sad day for Wilbur Currie. Sad because all the others who helped initiate the perpetual care drive have since died; and a bright day because he was able to see the fulfillment of the group's objective for a perpetual care trust fund for the historic cemetery and church grounds. Currie, an elder in Carthage Presbyterian Church and State Senator from Moore County, said that his heart was sad because the others who helped start the project had gone on before the perpetual care goal had been reached.

Some \$22,000 of the \$30,000 was left to the perpetual cemetery fund by the late Mrs. Sallie A. Currie. The other \$8,000 was contributed by cemetery plot owners and friends of the church. First officers of the Union Church Cemetery Association were: John R. McQueen, president; John S. McLaughlin, secretary; and Wilbur H. Currie, treasurer. Following Mr. McQueen's death in 1951, W. H. McNeill was elected president.

Present officers of the Association are: Jackie McQueen of Dunn, president; J. Mallie Kelly, vice president; Miss Bess McCaskill, secretary; and W. H. Currie, treasurer.

The Wachovia Bank & Trust Company has been named trustee for the \$30,000 and will have complete charge of investing the funds and turning over the interest once each year to the session of the church whose responsibility it shall be to use the funds for the perpetual beautification and upkeep of the cemetery and church grounds. The session has the complete responsibility of as it deems best to carry out the perpetual care program. Union Church is one of the few rural churches in the state with

an endowed upkeep program for cemetery and grounds.

Members of the Union Church session meeting Sunday afternoon with Mr. Currie were the Rev. A. C. Trivette, pastor and moderator; and elders Ira Turnley, A. V. Autrey, Gilbert M. Bailey and J. Mallie Kelly.

In accepting the \$1,200 deposit slip the Rev. Trivette expressed the appreciation of the

session for the work of Mr. Currie and his associates.

Mr. Currie also said that the late U. L. Spence, Carthage attorney, was most helpful in working out the details of the Cemetery Association and its perpetual care program.

During 1960 scholarships were awarded to 135 youths by the pulp and paper industry in the South. In addition, there were 1,087 youths in industry-sponsored camps, and the companies conducted 170 school forest programs.
