Pinebluff Club

The regular meeting of the club was postponed a week due to bad weather.

The new officers installed for 1962 are president, Mrs. Phillip Mather; vice-president, Mrs. Theo Berg; secretary, Mrs. C. Coolidge Thompson; and treasurer, Mrs. Charles McMaster.

The lesson was "Vitamin 'C' Foods" given by Miss Flora McDonald, home economics agent and was thoroughly enjoyed by the 17 members present.

Hostess for the Day was Mrs. C. W. Williams at whose home our gardens but as different mem-

bers met. She served chicken salad sandwiches, homemade cake, tea and coffee, during the social hour. Next meeting will be held Thursday, February 8th, weather permitting.

Crane's Creek Club

It seldom gets too rough for the Crane's Creek women to attend their club meeting. There was still snow on the ground, and raining too, but the women braved the weather to meet with Mrs. Nannie Womack and Mrs. Sam Evans at Mrs. Evans's home.

We have always had pride in

bers told of new and different fruits and vegetables they had grown in their last spring's garden we all became inspired to have as our goal this year — to try at least — one new fruit or vegetable.

Mrs. Redga Thomas suggested a good way to spend a rainy afternoon is to get a seed catalog out and make a list of seeds to buy before planting time.

Thaggards Club

The Thaggards Home Demonstration Club met in the home of Mrs. Ruby Matthews. The attendance was very good, with nine members present and two visitors. One visitor joined our club.

Miss Flora McDonald gave a good lecture on the importance of Vitamin C and in what food and vegetables we find it. After the meeting the hostess served coffee, cold drinks, sandwiches and cookies.

Eastwood Club

Mrs. A. H. Garrison, Sr. of the Eastwood Home Demonstration Club is one to be praised in her work. Mrs. Garrison has made 18 smocked sofa pillows since she learned the art recently. Eleven of these pillows were given to her children as an extra thought for them at Christmas, two were given to close friends, and one was given to her Sunshine Friend at Christmas. Three pillows were put at the Woman's Exchange in Pinehurst. Anyone who has made these pillows will know and appreciate the time and effort Mrs. Garrison put forth in making them and especially so since all but four were for gifts—Mrs. Garrison only kept one for herself.

Mrs. Garrison's comment: "I enjoyed every minute of making them but I am ready to learn something new now." Knowing Mrs. Garrison, we are sure this will not be hard to do.

FROM FARMERS

2 Applications Due In '62 for Gas Tax Refund

Farmers' applications for a refund of state gasoline tax paid on gas not used on the highways in 1961 must be filed by April 15, F. D. Allen, Moore County agricultural agent, pointed out this week.

But, he stressed, this is the last year when April 15 will be the filing deadline for the refund.

Starting July 1, he explained, the year on which the tax refund is based will be changed from the calendar year to a fiscal year running annually from July 1 to June 30.

Therefore, farmers must this year file an application for refunds covering the period January 1, 1962, through June 30, 1962. This application must be filed between July and September 30, 1962.

Application blanks for this second tax refund in 1962 will be sent before July 15 to all farmers who have filed claims for the year 1961, Mr. Allen said.

After this year, farmers' annual applications for gasoline tax refund will be filed only between July 1 and September 30, covering the preceding full fiscal year, July 1 through June 30.

She was awakened again around 2:30 by screams and called her son-in-law, W. M. Thompson, who found Harold in the rain and almost frozen. It was not until 4:30 with the help of the West End Fire Department that the cab of the truck was cut open and Harold could be extracted.
