**DO YOU KNOW WHAT TO LOOK FOR IN A NEW HOUSE?**  
Is it built with dry, graded lumber?  
Does it have adequate termite protection?  
Does it have Owens-Corning Fiberglass insulation?  
Is this insulation in both walls and ceilings?  
Does it have select red oak flooring?  
These are things your house must have in order for it to be the home you want.  
These are only a few of the many standard features included in every house we build—regardless of price.  
These are not extras!
