Two Moore County members of the State Correction and Training Schools Board attended the Wednesday night program of the first annual workshop for cottage counselors of the North Carolina correction and training schools, held for three days last week at Samarcond Manor near Eagle Springs.

The Moore board members are Mrs. John L. Frye of Robbins and Clyde Auman of West End.

MOORE COUNTY BASKETBALL

Regular Season Will End Tuesday; County Tourney to Start Feb. 23

BY JOEL STUTTS

The 1961-62 Moore County basketball regular season will end Tuesday to be followed by the tournament which opens Friday afternoon of next week at Aberdeen. This will be the 35th County Tournament which always draws capacity crowds and has proven to be the outstanding basketball attraction in this area.

West End girls (14-2) continue to challenge Pinehurst girls (14-1) for the girls' regular season championship. These teams were scheduled to play at Pinehurst Wednesday of this week in a game which should decide the champion. Results of this game were not available when this report was prepared and printed earlier this week. West End girls have yet to face Farm Life and Pinehurst is scheduled to host Highfalls, each being among the stronger teams in the conference.

The Southern Pines boys have clinched the regular season championship as they have yet to lose a game. This automatically gives them a berth in the state 1-A play-offs in March. Should Southern Pines win the tournament championship, the tournament runner-up will also represent Moore County in the State 1-A play-offs. If Southern Pines does not win the tournament, the tourney champion will become eligible.

Conference action continues Friday as Carthage plays at Aberdeen, Robbins at Westmoore, Farm Life at West End, Highfalls at Vass-Lakeview, and Pinehurst at Southern Pines. In the final games of the regular season Tuesday, Westmoore is at Cameron, West End at Carthage, Vass-Lakeview at Robbins, Southern Pines at Farm Life and Highfalls is scheduled to play at Pinehurst.

A meeting of the Moore County coaches will be held at the Carthage High School, Thursday at 7 p.m. to make plans for the tournament next week.

Harrington is Re-elected GOP County Chairman

Moore County Republicans met at their biennial convention in the courthouse in Carthage last Saturday, to elect party officials and lay plans for the forthcoming elections.

Re-elected chairman and vice-chairman for the next two years were James E. Harrington, Jr., of Pinehurst, and Mrs. Katherine N. McColl of Southern Pines. C. Coolidge Thompson of Pinebluff was elected secretary, and Mrs. Merla Gaines of White Hill was elected treasurer. In addition to the officers, 27 delegates and 27 alternates for the district and state conventions were named with Harry Pethick of Southern Pines elected chairman of the delegation for each convention.

Coy S. Lewis, Sr., of Robbins, was nominated to be reappointed to his present position as Republican representative on the county Board of Elections.

All but three of the county's 18 precincts were well represented at the convention, which was held in its enthusiasm for Charles R. Jonas, who is expected to be endorsed for reelection to Congress from the newly formed 8th District.

Two changes in the state plan of organization were discussed, and the delegates to the state convention were instructed to favor the proposed changes. One would change the method of selecting delegates to the National Convention to permit apportioning delegates more equitably on the basis of Republican voting strength, and the other change would provide a new finance plan which is intended to insure proper distribution of funds to national, state, district and local organizations.

In an atmosphere of frivolity near the end of the convention, the delegates shouted through a resolution recognizing "the contribution made to the growth and progress of the Republican Party" by Governor Terry Sanford, and invited the Governor and Mrs. Sanford to attend the county Lincoln Day Dinner on February 20, the day that Sanford is scheduled to speak at three education rallies in Moore County. Mr. Harrington said this week that two tickets for the dinner had been forwarded to Gov. Sanford.

Dinner Given for Mr. Hazlehurst at Richmond Friday

Charles M. Hazlehurst of Southern Pines, retired executive of the Seaboard Air Line Railroad, was honored Friday night at Richmond, Va., when a testimonial dinner was given for him by Seaboard officials in the Mansion Room of the Hotel Richmond. Mr. Hazlehurst, who retired December 1, 1961, was presented with a gold wrist watch to mark the occasion. Warren T. White, assistant vice president of the Seaboard, was toastmaster. Attending were about 30 officials of the Freight Traffic Department and of the Engineering Department with which Mr. Hazlehurst was formerly connected.

Mr. and Mrs. Hazlehurst drove to Richmond from Southern Pines On Friday night, Mrs. Warren White gave a dinner for Mrs. Hazlehurst, attended by a group of friends, at the home of Mr. and Mrs. White in Richmond.

Returning to Southern Pines, Mr. and Mrs. Hazlehurst spent Sunday in Raleigh with Mr. Hazlehurst's sister-in-law, Mrs. Elizabeth Graham Hazlehurst.

Pinehurst Girls Defeat West End

The girls' basketball team of Pinehurst High School moved a step closer to the county girls' regular season championship, when they defeated West End girls 40-39 at Pinehurst last night. Pinehurst boys beat the West End boys 63-58.

Pinehurst leads the girls' division of the county title race, with West End in second place. Unless Pinehurst loses its two remaining games and West End girls win their two, Pinehurst girls will be the county season champions.

Reynolds to Run Again; Kerns is Out For Coroner

L. R. Reynolds, chairman of the Moore County board of commissioners, announced this week that he would be a candidate for renomination in the May Democratic primary. Previously announcing their intention to run were two other board members, W. S. Taylor of Aberdeen and Tom Monroe of Robbins. J. M. Pleasants of Southern Pines and J. M. Currie of Aberdeen have not yet made known their intentions.

E. R. Kerns of Robbins, a former police chief at Carthage, announced this week for county coroner. Already on record as a candidate for coroner is W. K. Carpenter, Sr., of Pinebluff. Present holder of the office is Ralph Steed of Robbins.

Kerns lost to Steed in a primary race for coroner four years ago.

\$400 Raised by PTA Talent Show

The Variety Show sponsored Friday and Saturday nights by the East Southern Pines Parent-Teacher Association turned out to be both a financial and entertainment success.

Mrs. Albert Grove, PTA president, said this week that a little over \$400 clear profit had been made on the show, to be applied to PTA school-aid projects.

Mrs. Grove asked that her thanks be publicly expressed to all who took part in the show in any way. Special thanks, she said, are due those persons who are not connected with the PTA but who did much to help the program.

The show—with a large group of adults taking part in singing, dancing, instrumental and other acts—has been highly praised by persons who saw it.

Score Clock at School Installed

A new score clock in the gymnasium of East Southern Pines schools is now in use.

Purchase of the clock was made possible by three gifts to the school—a fund of \$100 given by the Beta Club of the high school in 1956; a fund of \$300 given toward purchase of a score clock by the Class of 1961; and the balance of the cost by the Aberdeen Coca Cola Bottling Co.

Total cost of the clock and installation was about \$600. The 1956 Beta Club gift was originally earmarked for purchase of an athletic trophy case, but this has been taken care of from other sources.

MAKE-UP DAYS

The Southern Pines schools will make up four days lost because of inclement weather on March 14, 15 and 16 and on April 20 (Good Friday), Supt. Luther A. Adams announced this week.

All the make-up days were approved last week by the board of education. The three March days had been tentatively set as a Spring vacation. Over the Easter weekend, students were to have had Good Friday and also Easter Monday as holidays.

Under the new schedule, barring further loss of school time due to weather, Easter Monday (April 23) remains a holiday, Mr. Adams said.

Church to Sponsor Training Sessions

The first of two sessions of a Leadership Training Institute will be held Monday, February 19, at the United Church of Christ, sponsored by the Board of Christian Education.

A second session will be held Monday, February 26, said the Rev. Carl Wallace, pastor of the local church. Each meeting will be from 7:30 to 9:30 p. m.

Speakers for the February 19 meeting will be Dr. William Wiseman, minister of the First Church, Greensboro, for the past 26 years, who will speak on "Church Leadership Opportunities in Our Day," and the Rev. John Graves, chaplain of Elon College, whose topic will be "Church School: A Total Church Concern."

Mrs. Dwight Hoskins will be in charge of the devotion Monday. Details of the February 26 session will be announced next week.

CREDIT BUREAU

(Continued from page 1) suggested that some help could be obtained through Mrs. Fentriss K. Money, executive secretary of the Madison County Merchants Association, who is also secretary of the Associated Credit Bureaus of North Carolina. She has had wide experience in the credit field, and will come to Moore for the Monday meeting and discuss the financial and physical needs for such an agency.

All merchants, institutions or individuals interested in seeing a credit bureau established for Moore County are invited to attend the meeting on Monday.

Anyone wishing additional information should ask Jim Ritchie in Southern Pines, Landon Tyson in Aberdeen, Earl Moore and L. L. Marion in Carthage, and Henry Williams in Robbins.

COUNCIL

(Continued from page 1) surface water drainage entering the lake. After water tests showed it unfit for swimming, an ordinance prohibiting swimming in the pond was adopted in 1956.

Four of the councilmen voted for the motion to deed the pond area back to Mills, but Councilman Capel abstained. Before the vote, he had stated he thought an appeal should be made to Mills to allow the town to put the property in use for recreation purposes again.

However, Town Manager F. F. (Bud) Rainey and Councilman Hobbs said they had talked to Mills and felt sure he was determined to repossess the property, as it had been mentioned that he

Non-thoroughbred Hunters—the E. Louis Meyers Challenge Trophy.

Open Hunters—the W. J. Brewster Challenge Trophy.

Hunt Teams—teams of three, with no special trophy.

The Field Hunter Challenge Trophy was given two years ago for the first time by Mr. and Mrs. H. E. Walsh to the horse which has given the most competent, safe and from all standpoints most satisfactory performance with the Moore County Hounds during the hunting season. This trophy will be awarded again this year.

The Stoneybrook Perpetual Trophy is awarded for the championship, for which first or second placers in any class are eligible to compete.

Judges this year are Mrs. Frances Rowe of Manokin, Va., and Theodore Pugh of West Town, Pa.

A by-day fox hunt will be held Friday, in addition to the regular hunt today, by the Moore County Hounds, because of the many riders here for the Hunter Trials.

An informal schooling horse show will be held Sunday afternoon, starting at 1:30, at Second Wind Farm on Youngs Road, with four junior horsemanship classes, a minimum of two green hunter classes and an open working hunter class. There will be no entry or spectator fee.
