

WORDS OF WISDOM

Words of wisdom from the North Carolina Department of Motor Vehicles: Every driver has a moral responsibility to keep his car in a safe mechanical condition. Most drivers would be horrified at the thought they might commit murder or suicide, yet they place themselves in danger of doing so every time they drive mechanically unsafe vehicles.

WEST END NEWS

By SALLY AUMAN

Lions Resolutions

A resolution was passed at the Lions Club on Thursday night protesting the time cut in depot service as proposed by the Norfolk and Southern. The Railroad plans to operate this office with the Pinhurst office, giving West End only three hours daily in the afternoon. The Club went on record as requesting, at least one-half of each day as proposed by Lion Roy Swaringen. A hearing will be held in Raleigh during the latter part of April, and a delegation from here will attend.

The Club also went on record as favoring an appeal for toll-free telephone service with Southern Pines - Pinehurst-Aberdeen as presented by W. A. Johnson Jr. An official from the Telephone Company will be asked to meet with the Club and discuss plans for such a service. The Beta Club of the school served the club a supper in the school cafeteria.

Team Runner-Up
Congratulations to Coach Otis Boroughs and the Girls' High School basketball team which was runner-up in the County Championship tournament Saturday night in Robbins. Such a high tribute to our own Otis, who has produced the best team West End has had since 1948, is well deserved as it is his first year of coaching. The community is looking forward to next year because Coach Boroughs has developed some excellent team work with many members returning.

Senior members of the team are Annette Thompson, Charlotte Blake, Charlotte Thomas, Linda McNair and Phyllis Godfrey. The girls who will be here to play for us next year will be Lois Martin, Sue Thomas, Sally Vaughn, Geraldine Garner, who starred in most of the games this year and who is only a sophomore; Frances Pusser, Linda Brewer, Sharon Richardson, Gayle Thomas, Diane Williams, Judy Luck, and Joyce Blue.

In 1948, according to J. F. Sinclair, dean of the Moore County coaches, West End girls were run-

ners-up in the Tournament and in 1947 the girls won the County Championship. It is believed that the boys teams won the County Championships in both 1947 and 1948, and in 1947 they were runners-up in the State Tournament and were Eastern Class A Champions.

CONSULT YOUR SENSES

The North Carolina Department of Motor Vehicles says it's good sense to consult your senses about the mechanical safety of your car. For instance, the sense of hearing will detect a knock in the engine... sight will spot worn tires, inefficient lights and windshield wipers... touch will disclose defective brakes and steering gear.
