MOORE COUNTY RECORDER'S COURT

Probable Cause Found Against Local Man On Auto Accident Death Charge

Probable cause was found against Joe Louis McDonald, Southern Pines Negro, for manslaughter and careless and reckless driving in connection with a fatal traffic accident at Pinehurst February 4.

Judge J. Vance Rowe set bond at \$1,000.

Another Southern Pines Negro, Eddie Stanback, was charged with attempted rape of a 10-year-old girl of his own race, but Judge Rowe allowed the case to be continued until next Monday on request of the defendant's family, to allow him to make bond if possible and to allow him to secure a lawyer and other aid. His bond which had been set at \$1,000 was increased to \$1,500.

A 19-year-old Negro girl, Reba Ann Ewing, serving a sentence "in and around the Moore County jail," was charged with escaping from the jail, while Henry Threadgill, Negro night club operator, was charged with aiding and abetting in her escape. Both are from Southern Pines. The girl pleaded not guilty, while Threadgill pleaded nolo contendere. Evidence showed that the girl, considered a trusty at the jail, had secured permission to go uptown for a short while, but met Threadgill while uptown, rode with him to Southern Pines and was returned to jail some time later in a somewhat inebriated condition. Both defendants were found guilty and prayer for judgment was continued on payment of costs, by each.

A Durham Negro, Larry Bell, was found guilty of possession and transportation of non-taxpaid whiskey and sentenced to four months, suspended on payment of a \$200 fine and costs, with confiscation of his 1955 Pontiac. The judge ordered that his coat, mechanics' tools and other personal items found in the car be returned to the defendant. In the same case, a nol pros was taken by the State in regard to Lila Mae Bell, wife of Larry, and Joe Louis Weathers, Jr., was found not guilty. ABC officers testified that they had stopped the car near Cartage early last Sunday morn-

ing, and found 23 half-gallon jars of "white whiskey" inside.

Other cases disposed of: Robert Meion Harrington, Cameron, presenting another's registration card as his own, larceny of license plate, 60 days or \$25 and costs; David Newell, Salisbury, driving without chauffeur's license, judgment continued on payment of costs; Troy Lee Summers, Seagrove Route 2, speeding 80 in 60-mile zone, 60 days or \$50 and costs, license to be surrendered, defendant gave notice of appeal and bond was set at \$250; Thurman Earl Lee, Eagle Springs, careless and reckless driving, speeding in school zone, not guilty; Robert Newman, Carthage, Route 2, assault and battery on wife, creating disturbance, 60 days suspended for two years on payment of \$25 and costs, not to assault his wife during that time; Bobby Minor, Robbins, Route 1, failure to support illegitimate child, on motion of defendant the court ordered that a blood test be made of the baby and putative father, defendant to make all arrangements and pay expenses, and

have the report in court April 18. Ted Gardner, failure to comply, continued to April 16, the defendant meanwhile required to comply with former judgment of which the clerk is to furnish him with a copy (defendant claiming not to have understood what was required of him); Walter Lee Frye, public drunk and indecent exposure, continued to next Monday; Clarence Gerald Mullis, Matthews, speeding 65 in 55-mile zone, \$10 and costs; Donald Joseph Caleagno, New Orleans, La., speeding 65 in 55-mile zone, \$10 and costs; Fletcher Rogers, Carthage, Route 3, unlawful possession of illicit whiskey, \$10 and costs; Willie Mae Johnson, Vass, driving without license, \$25 including costs; Raymond Ellerbee, West End, unlawful possession of illicit whiskey for sale, three months suspended for 12 months on payment of \$11 and costs, not

to violate whiskey laws during that time.

Thomas Howard Cooper, Candor, driving while drunk, 60 days or \$100 and costs, license revoked 12 months; Mrs. Catherine McCaskill Primm, Carthage, Route 3, failure to yield right of way, not guilty; Rufus Person, Robbins, assault on female (wife Belle), 30 days suspended on payment of costs and good behavior toward wife.

Figure It Yourself, Mr. Farmer...

- 1 Estimate the number of minutes spent each time you walk from the barn to the house and back again to answer the telephone or to place a call.
- 2 Estimate the number of times in a month that you make the walk for this purpose. Compute the monthly total of these non-productive minutes and their worth to you in dollars and cents.
- 3 Compare this figure with the low monthly charge for an extension telephone in your barn or other convenient location outside your house.
- 4 If you've placed a proper value on your own time, we think you'll find that you can save money... as well as the walking... with extension telephone service. Order yours today.
