Carol Parker of Cameron School Is Top Speller

"Writhed" was the winning word that made Carol Parker of Cameron School the champion speller of the Moore County Elementary Schools in the annual contest held Saturday. Standing up against 10 opponents from throughout the county, Carol never wavered in her consistent mastery of the words that were pronounced to her. When the contest was narrowed to the two finalists, Gail Page, who came in second as the runner-up, missed "wraith." Gail is from the Robbins Graded School.

Carol spelled that word correctly and then the new word which made her champion.

The daughter of Mrs. Roland Ferguson of Vass, Carol will spell in the State finals Saturday, May 5, in Winston-Salem, when 42 school systems will take part.

Each student in the county spelling event was presented an engraved pen and a Certificate Award of Merit from his individual school. Words given to the contestants were taken from a 2,500-word practice book, "Words of the Champions," which contains many easy and difficult words.

Taking part in the spelling bee were elementary students in schools of the county system which includes all schools of the county except those of the Southern Pines and Pinehurst separate administrative units.

New ULTRASONS

shape themselves to fit your legs — every step you take!

HERE, at last, are stockings that never lose their fit! Berkshire's fabulous new Ultrasons won't bag, sag or wrinkle.

More flexible, more comfortable

Ultrasons are the first stockings actually treated with ultrasonic sound, so they'll flex with every movement of your legs.

Walk, sit, stand, stoop. Ultrasons stay smooth from top to toe.

The new ultrasonic process makes Ultrasons more porous than other nylons. They keep your legs and feet cooler, drier in the hottest weather.

Guaranteed run barrier

Every pair of Ultrasons has Berkshire's famous NYLON® Run-Barrier. Guaranteed to stop any runs starting at the top or toe from entering the sheer leg area — or you get a new pair free!

Ultrasons come with seams or seamless in four muted shades. All matte-finished — fashion's subtle new look for 1962.
