## WEST END NEWS and PERSONALS

By SALLY AUMAN

### Wins Builder's Cup

West End High School received another "First" on Friday night when Annette Thompson was the winner of the Junior Builders Cup which is presented annually by the Sandhill Kiwanis Club to the most outstanding senior in the County high schools. We cannot say we were surprised! We would have been surprised had this talented, smart, and attractive daughter of Mr. and Mrs. W. M. Thompson of Jackson Springs not been selected. Annette served last year as Miss West End High School and as chief marshal by virtue of her outstanding scholastic achievements. She is a member of the basketball team and is active in the Senior High Fellowship of the Jackson Springs Presbyterian Church. She is a member of the Beta Club, and was announced on Monday as the valedictorian of this year's graduating class. Her plans are to enroll in either Saint Andrews Presbyterian College in Laurinburg or in Woman's College in Greensboro in the fall. Congratulations, Annette!

### Receive Counsel

On Monday, the members of the eighth grades at the school were counseled individually by Moore County Guidance Director E. C. Powers, and by Mrs. Lena Ladu. The courses for the four years in high school are mapped out according to abilities and aptitudes. Members of the eighth grade at Eagle Springs joined the West End students for the day. To facilitate the opening and planning of school next fall, the high school students registered for 1962-63 on Monday afternoon. Principal Johnson says this guidance service, used in the school for the past two or three years, has been an asset to the students in choosing their curriculum.
