The Troop has been collecting soda bottle caps, pine needles and hemlock cones for two weeks to make swaps for the girls chosen to represent the Central Carolina Girl Scout Council at the National Round-up in Button Bay, Vt. in June.

From these articles collected, the girls made charming lapel pins with silver and gold spray paint and green and red ribbons. Recently, they delivered 125 to the Council Director, Mrs. Smith, at Sanford headquarters, who placed two of them on the bulletin board, along with other swaps they have received.

Mrs. Ives Says Majority of Comments On Her DAR Resignation Are Friendly

Mrs. Ernest Ives of Southern Pines, who made nationally circulated news last week by resigning from her Bloomington, Ill., chapter of the Daughters of the American Revolution, said today that of the many letters and other communications she has received about her action, some are approving, some disapproving, "but the majority are friendly."

Mrs. Ives had explained in her telegram of resignation last week that she thinks DAR policies are out of line with U. S. policies which have been overwhelmingly endorsed by American voters and, specifically, that she was disappointed by DAR opposition to the United Nation's Children's Fund.

The magazines Time and Newsweek, both of which called Mrs. Ives here within a few hours after her resignation was made public, have the story this week.

The New York Herald Tribune called her also. She said she was particularly pleased with a "well-documented" article in last Sunday's New York Times, tracing the history of DAR policies and noting her resignation.

Mrs. Ives said comments she has received range from an approving tribute in light verse to unsigned, vicious attacks and "very nasty" printed pamphlets attacking the United Nations.

She said she has received no comment from her brother, Adlai Stevenson, U. S. ambassador to the UN.

"Why should he comment?" she said she has told reporters who ask if he has. "He's too busy to bother about what I say."

She said she had been distressed about DAR policies before her brother was named to the UN post.

CANDIDATES

ship and Ritters township, which have no constables now, Ernest Campbell and Roy J. Brown have filed, all Democrats.

There are no Republican primary races and the GOP did not file a full ticket to oppose Democrats in November for County and State offices. They have no candidates for State House, State Senate, judge of Recorder's Court, one county commissioner seat and two board of education seats.

Running in a field of eight candidates in the 1958 first primary, Wimberly nosed out Kelly 1,338 to 1,287, at the head of the ticket. In a second primary between the two candidates, however, Kelly took the nomination with 3,321 votes to 2,133 for Wimberly and was reelected last November.

Following is a complete list of the candidates:

Democrats
State Senate, W. P. Saunders. State House, H. Clifton Blue. Clerk of Superior Court, C. C. Kennedy.

Sheriff, W. B. Kelly. Register of Deeds, Audrey McCaskill. Judge of Recorder's Court, J. Vance Rowe.

Coroner, W. K. Carpenter, J. W. Cranford and E. R. Kerns.

Board of Education: District 5, Drewry Troutman, Addor; Tilden G. Cheek, District 2; Carr Paschal, District 3.

Constable, Mineral Springs Township, Oscar Bailey, of West End.

In announcing his withdrawal as candidate for sheriff, Wimberly said:

"On last Friday, at the urging of friends, I filed as a candidate for the Democratic nomination for Sheriff of Moore County, realizing that I could withdraw if deemed advisable after further consideration.

"In the last few days I have talked with a number of friends and have come to the conclusion that it will not be in the interest of party harmony to engage in a hard-fought race for Sheriff at this time.

"Therefore, I am withdrawing as a candidate for Sheriff in the May 26 Democratic primary.

"I appreciate more than I can say the offers of support for the high office of Sheriff, and look forward to a more opportune time to present my appeal to the people.

"In the new registration which is being called, I appeal to my Democrat friends to go out and register that Moore County may roll up a big majority for the entire Democratic ticket this fall."

Additional registrations are being taken until noon Saturday for five additional gifts—\$20 savings accounts in the Citizens Bank, with all persons who registered at the opening also eligible as winners. Persons to receive the accounts will be announced at the Saturday noon deadline.

The South Broad Street office will be headquarters for the installment loan operations of the bank, but every service of the bank will be available at both the new drive-in office and the main office on N. W. Broad St., bank officials said.

Taking part in the opening ceremonies were N. L. Hodgkins, president, who recalled the history of the bank which was chartered in 1905; Norris L. Hodgkins, Jr., executive vice president; E. Earl Hubbard, vice president who is in charge of the new office; and Mayor John S. Ruggles who cut the ribbon, formally opening the new building. Both N. L. Hodgkins and Mr. Ruggles expressed confidence in the future of Southern Pines, and Mr. Ruggles recalled that many officers and directors of the Citizens Bank had been town officials and civic leaders since the bank began operations.

The new branch bank is open 9 a. m. to 5 p. m., Monday through Friday, and from 9 a. m. to noon on Saturday.

Recognized at the opening ceremony were a number of town and county officials and representatives of the architects, Hayes, Howell and Associates of Southern Pines, and the builders, the L. P. Cox Company, of Sanford.

From 1948 to 1958 the number of grocery stores in the U. S. with annual sales of less than \$100,000 declined sharply, while those grossing more than \$1 million multiplied fourfold.
