

Mrs. Grove, Other PTA Officers to Be Installed May 21

Mrs. Albert Grove, completing her first year as president of the East Southern Pines Parent-Teacher Association, was reelected to serve for the 1962-63 year, at the regular meeting of the organization in Weaver Auditorium last week.

Other officers elected for the coming year were: first vice president and president elect, Mrs. J. S. Hiatt, Jr.; second vice president and faculty representative, Mrs. Kay Adams; secretary (reelected), Mrs. Robert Leland; and treasurer, W. T. Huntley, Jr.

The officers will be installed Monday night, May 21, during a meeting that will include the annual fashion show staged by the school's Home Economics department. It was pointed out that this May meeting will be held on the third Monday in May, not the second Monday, as usual.

Participation of the PTA was invited in the Homecoming and dedication program for the South-

ern Pines High School building, to be held from 3 to 5 p. m., Sunday, April 29.

Supt. Luther A. Adams announced that a gift of between \$300 and \$400 by the senior class of the school, combined with a fund of \$300 from the PTA, will make possible a new stage curtain and window drapes for Weaver Auditorium.

Other contributions of the PTA from this year's budget were announced as \$100 to the school band uniform fund and \$25 to the glee club for various musical needs.

The PTA is backing the sale of American flags now being carried on by several civic organizations under sponsorship of the recently formed Moore County Flag Committee.

It was announced that the elementary school's "Spring Festival" will be held early in May.

MORE FOOD

Food production in America is increasing, at present, as rapidly as population. But, by the year 2,000, when the population may be close to 400 million in the U. S., there'll be need for 400 million more acres in production of food than at present.

Attend Scout Circus

The Cub Scouts of Pack 206 attended the Oconeechee Council Scout Circus in Raleigh Saturday. The Cubs had been making preparations to attend this event for several months. They had all made Pinewood Derby Race Cars.

In their local run-off the winners were: speediest—Frederick Smith; prettiest—Bunny Wallace and most unusual—Douglas Stoots.

These boys competed in the county run-off and came out on top for the County Champions. This meant that the three boys took their cars to Raleigh for the Council run-off. Although the boys made a good showing, they were unable to win the Council championships.

In the Cub Parade, the local Cubs were dressed in their Indian regalia, complete with headdresses, a few tommyhawks and bells. They were very effective Indians as they did their Indian Dance in the Parade.

The event was taped for showing on TV at 12:00, Saturday, April 21, on Channel 5. The boys are looking forward to perhaps seeing themselves in action.

Those attending were Cub Scouts Bunny Wallace, David Carpenter, Frederick Smith, Jimmy Carpenter, Dale Wall, Colin Short, Michael Geisler, Douglas Stoots, Guerry Bryant and Den Chief Jeff Mills.

Those accompanying and helping with transportation were Den Mother Mrs. Hurley Short, assistant Cubmaster Harvey Lathan, Mrs. Vernon Geisler, Barbara Short, Martha Geisler, Mrs. W. V. Smith, Mr. and Mrs. Jimmy Smith, Mr. and Mrs. Roy Wallace, Mrs. Julian Scott, Sissy Wallace and Melody Scott.

The Boy Scouts of Troop 206 also attended the Circus accompanied by their Scoutmaster, Jimmy Smith. Although the Scouts didn't take an actual part in the Circus, they acted as ushers and were of assistance with the Cubs.
