MISS MARY LOGAN

### Miss Logan Will Become Dean of Women at College

Miss Mary Katherine Logan, supervisor of the elementary schools of Southern Pines and Pinehurst, has accepted the position of dean of women at Mars Hill College.

Factors looming large in Miss Logan's decision to move into the college field include the fact that Mars Hill will be entering upon a full four-year term status next fall, with a student body numbering about 1,500. With a well-rounded curriculum, the college also offers a wide variety of cultural activities with the emphasis on music, which has been Miss Logan's major interest in both the teaching field and through her own talent and studies as a singer. A further inducement is the fact that Mars Hill is only 19 miles from Asheville, Miss Logan's home town.

Miss Logan's years in Moore County have been busy and productive. Coming here in 1950, she started her local career as supervisor of four grades in the county elementary schools and Southern Pines and Pinehurst. Following one year in which she substituted as county supervisor, she joined the faculty of Southern Pines elementary school where she has been for the past six years. Last year her supervisory duties were enlarged to include the West Southern Pines school and the two schools of the Pinehurst district.

Miss Logan's summers have been almost as busy as her winter months. She has taken summer courses—at Yale, Harvard, Columbia and other universities—or has travelled bringing home quantities of fine photographs, of the joy of civic clubs and other gatherings in search of information, who have also enjoyed her talent as a singer.

Besides her experience in these fields she has taken a leading part in community work, acting for four years as secretary of the Mental Health Committee and for a shorter period in the same office for the committee on the study of alcoholism. She has had charge of the children's concerts of the Sandhills Music Association and the teachers participation in the Symphony Society's workshops at Chapel Hill.

The daughter of Mr. and Mrs. W. E. Logan, of Asheville, Miss Logan started her teaching career at Crossnore School, going there to be supervisor in Avery County. Several years of special work at Columbia University followed, when she also studied singing under Arthur J. Phillips, teacher of James Melton and other noted artists. She returned to Crossnore in the late 'thirties and at the start of the war resigned her position to spend the next six years in the USO, following which she joined the school system of Moore County.

Some of the Explorers of Post 889 went camping on April 7 at Pinehurst. The representatives of Post 889 attended a Cabinet Representatives meeting for Moore District at the Methodist Church in Southern Pines, last night.

**It happened 100 YEARS ago**

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862... the same year that

IN NORTH CAROLINA arrangements were made to transfer the Confederacy's naval ordnance center from Norfolk to Charlotte because of inland safety and good railroad to Wilmington. North Carolinians saluted this new commerce with glasses of beer.

For even then, beer was North Carolina's traditional beverage of moderation. Beer still provides enjoyment for North Carolinians, and a good living for many of them—not only the employees of the Brewing Industry itself, but also for North Carolina farmers and other suppliers of the materials brewers use.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.
