### Driver's Blackout Causes Mild Crash Near Postoffice

A temporary "black-out", suffered by Thomas N. Baker, of Lakeview, Monday morning, resulted in only minor damages, thanks to the fact that there was no passing traffic.

Mr. Baker had parked his car, a '53 Dodge, across from the post-office on Broad Street. Later, he backed out and, as he was starting forward again to go on his way, it was believed that he fainted. The car ran back across the street and collided with the rear of an Oldsmobile belonging to A. M. Webb of Indiana Avenue.

Help came from Postmaster J. W. Causey and others of the post-office staff who found Mr. Baker in a semi-conscious state but apparently unhurt. Dr. R. M. McMillan, contacted at his nearby office, had an ambulance called and the patient taken to Moore Memorial Hospital.

Mr. Baker was able to return to his home in Lakeview yesterday evening, but is under orders to "take things easy" for a while. Mr. Baker is the owner of several large farms in the Lakeview area in the management of which he has been extremely active since his retirement from the food store at 232 N. W. Broad Street (now Worsham's Grocery and Meat Market), which he operated for many years.

Damage to both cars involved in the accident was rated as "minor" and fully covered by insurance.

Mrs. Audrey Avent arrived Monday from her home in Colonial Heights, Va. to visit her sister, Mrs. Joseph I. Scott and family.

Dr. and Mrs. C. Robert VanderVoort returned Wednesday from a few days vacation at The Patricia in Myrtle Beach, S. C.

FRIDAY, SATURDAY NIGHTS

High School Students To  
Present 'H. M. S. Pinafore'

BY DICK HOSKINS

Friday and Saturday nights, a cast of 40 high school students will appear in a production of "H. M. S. Pinafore" by Gilbert and Sullivan, a period opera play. Performances will be in Weaver Auditorium at 8 p.m.

"H. M. S. Pinafore" is a satire on the British Navy in the late 19th century. The production includes many entertaining songs typical of the period. The action takes place on the ship known formally as "Her Majesty's Ship Pinafore" which is anchored off Portsmouth, England.

In the story, a poor sailor falls in love with the captain's daughter who has already been promised by her father to the First Lord of the Admiralty. But the daughter has other ideas.

The action is quick and entertaining. The sets and costumes add to the elegance of the whole production. It is excellent entertainment for the whole family.

Proceeds will go to a scholarship for a deserving senior, in a scholarship program sponsored by the Beta Club, a scholastic organization in the high school. And a portion of the proceeds also will go to the Band Fund to help pay for new school band uniforms.

So if you've a mind for the British "Navee," come out and see "Er Majesty's Ship, the Pinafore." Tickets will be on sale at the door.
