GILBERT & SULLIVAN ENSEMBLE

SEASON'S LAST PROGRAM

Sullivan Favorites At Forum Ensemble To Present Gilbert &

The concluding program of the 1962-63 Pinehurst Forum series next Thursday, April 18, will be the delightful Gilbert and Sullivan Concert Hall, an ensemble of five gifted vocal artists under the aegis of Donald W. Johnston, producer. The background of this notable cast has been enriched by many performances with the famed Savoyards of New York City, the City Opera Company, on Broadway and on television.

The program, as usual, will be in the lounge of the Pinehurst Country Club and will begin at 8:45 p.m. immediately following the special buffet dinner at the Club for Forum members and their guests.

The performance here will bring to the Forum stage highlights of several of the beloved masterpieces of Gilbert & Sullivan. The collaboration of William Schwenck Gilbert and Arthur Seymour Sullivan constitutes the most inspired and fel-

icitous wedding of words and music in the history of the English-speaking stage. In all, between 1871 and 1896, they wrote 14 comic operas.

These exciting programs of the G & S Concert Hall will include vignettes in full costume from the best known works of this masterful pair. The vignette from HMS Pinafore will feature: "We Sail the Ocean Blue," "The Nightingale," "Little Buttercup," "Captain of the Pinafore," "Things Are Seldom What They Seem," and "Josephine's Aria."

From the Mikado, the selections will be "Gentlemen of Japan," "Flowers That Bloom in the Spring," "Wandering Minstrel," "Tit Willow," "Sun Whose Rays," "Kissing Duet," and "A More Humane Mikado."

There will also be solos featuring songs from other of Gilbert and Sullivan works to complete an evening of entertainment which may well be a high spot of Sandhills music for the year.

Basketball Squad Recognized By PTA

The Pinehurst High School Boys' Basketball Team, victorious in this season's Moore County Championship and in the County Tournament, and their coaches, were honored individually at Tuesday's Parent-Teacher Association meeting.

Following the brief business session, presided over by President Mrs. W. R. Viall, Jr., at which new officers—Mrs. Thomas Connolly, president; W. R. Dunlop, vice president; Mrs. Ray Martin, secretary and Hobart Williams, treasurer—were elected for 1963-64, an exhibition was put on by Grades one through 9 of the physical fitness program taught in the elementary classes.

After the exhibition, James Tucker, a member of the school faculty, on behalf of a group of local citizens, presented Roger Paschal, head coach of the boys' basketball squad, with a stereo-hi-fi combination record player. Assistant coach Robert Gillis received a fishing set with accessories, and their wives were given orchids. Each member of the team received a trophy.

School Superintendent Lewis S. Cannon received for the school a plaque containing the names of the coaches and of each of the squad members, with their individual records.

Golf Teams Finish With 92-Point Tie

Tied for first place in the Tin Whistles Club's weekly tournament, completed Monday, were two teams, both scoring 92 points in the par-bogey contest for best ball of all four partners.

The teams comprised: William S. Anderson, William B. Foreman, H. W. MacLeod and John O. Saeger, 42-50; and Col. A. G. Dezendorf, Edwin Longcope, Dr. M. T. Pishko and John S. Zelle, 44-48.

TEERING OFF * WITH deNISSOFF

White and pink dogwood blossoms burst suddenly into bloom last weekend in Marshall Park and azaleas ranging in color from lavender to shocking pink and crimson came into beautiful bloom all around the Carolina Hotel.

These lovely spring flowering trees and shrubs seemed to reach their peak during Saturday's rain in the grounds of residences along Linden Road, making quite a shocking contrast to the acres of scorched pine trees on the route of the fire that Thursday swept across the section further

out. Paradoxically, the Junior Horse Show, scheduled Saturday afternoon in the Carolina Hotel Ring, was held in rain that pelted contestants trying out for their final championship awards of the season, while the Trotting Races, set Sunday afternoon, were called off in the forenoon because of the muddy track though the sun shone brilliantly all afternoon.

From a Junior Horse Show official, we learned the only horses saved from Thursday's fire that destroyed about 14 thoroughbreds

at the Q. A. Shaw McKean place off Linden Road, were vanned out by Octave Blake.

When the smoke and flames began looking bad out that way, Octave drove a van from his Newport Stock Farm stable at the Pinehurst Race Track out to the stable on the McKean estate, loaded up with as many horses as possible, and drove them out of danger.

When the McKeans tried to start up their own van to take the other horses out, they found that during their three-week absence on a European trip, from which they returned Wednesday, the gas had been siphoned off and the battery stolen.
