223 PLAY IN SUCCESSFUL TOURNAMENT

Morey Beats Mangum, Wins Elks Golf

Veteran international golfer Dale Morey of Morganton won the second annual National Elks Amateur Invitational golf title at Southern Pines Country Club, Sunday. He topped a field of 223 players in the event.

On rounds of 72-73-69 for 214 total, he overcame second day leader Clyde Mangum of Southern Pines, in a head-to-head duel. Mangum scored 217 and led by one shot after 36 holes. He shot 73 the final day.

Championship flight play was over the Southern Pines course for the first and last rounds and over Mid Pines Club for the second round.

Defending champion Art Ruffin of Wilson was third at 222. He had dominated the event in past years when it was a Carolina-Virginia tourney.

Sponsoring Elks Lodge 1692 officials reported the event successful, with few hitches. There were 14 flights. Contestants and

Blue Urged For Lieutenant Governor

A number of Moore County friends, with several from other counties, joined a group of legislators meeting at Raleigh last Thursday night in the interest of persuading Moore Rep. H. Clifton Blue, Speaker of the House, to run for lieutenant governor in 1964.

Questioned by The Pilot this week, Blue would say no more than "I am interested," adding "It's too soon to make a decision like that."

This was all, it appears, that the group at Raleigh got out of him, other than expressions of gratitude for their friendly feelings and esteem.

The group of some 50 persons, meeting at the Sir Walter Hotel, included many of the members

of the House who had aided him in his overwhelmingly successful campaign for Speaker, also some who had opposed him until Rep. Tom Woodard of Wilson got out of the race.

It also included several Senators, despite the fact that at least four members of the Senate have all indicated they may run for lieutenant governor.

Church Softball To Start June 4

Play in the Southern Pines Church Slow Pitch Softball League is scheduled to begin Tuesday evening at Memorial Field with a Baptist-Presbyterian game at 7 and an Episcopal-Lutheran game at 8:30.

Because of graduation exercises at East Southern Pines High School Thursday night, June 6, games scheduled for that night have been postponed to the following night, Friday, June 7. These games are United Church vs. Methodist at 7 and Catholic vs. Baptist at 8:30.

The complete schedule for the season will be published next week.

The league, for adult men players, is associated with the municipal recreation program. Taking part are teams representing the following churches: First Baptist, St. Anthony's Catholic, Emmanuel Episcopal, Southern Pines Methodist, Our Saviour Lutheran, United Church of Christ and Brownson Memorial Presbyterian.

MEMORIAL PLAQUE GIVEN TO TOWN

In a Memorial Day ceremony outside the town hall at 12:30 p. m. today, E. Earl Hubbard, committee co-chairman, and the Rev. Carl Wallace, president of the Southern Pines Rotary Club, turned over to the town a plaque honoring all "citizens of Southern Pines who served and sacrificed in past wars."

The plaque is installed on the brick screening wall outside the town hall's main entrance. It was dedicated with a talk and prayer by the Rev. Mr. Wallace.

Mayor Pro Tem Norris L. Hodgkins, Jr., accepted the gift on behalf of the town.

The ceremony opened with a pledge of allegiance to the flag and closed with "taps" played on trumpets by two high school students, Joe Hiatt and Jim Ritchie. Details and a photo will appear next week.

Petitions Here Ask Discussion Of Consolidation

Dr. Charles A. S. Phillips of Southern Pines, who recently made the suggestion that a meeting be called here to discuss high school consolidation in this part of the county, said this week that he has drawn up a petition which he is distributing in Southern Pines asking for such a public discussion.

Twenty-four of the first 25 persons to whom he showed the petition signed it, he said.

The petition reads: "In the interest of an enlightened and informed public, the undersigned petition the Southern Pines School Board to arrange a public discussion with educators presenting pros and cons of having a consolidated high school for the Southern Pines-Pinehurst-Aberdeen area."

'Impacted Areas' Integration Rule Not Yet Approved

A Congressional sub-committee's proposal that federal "impacted areas" funds be denied to districts that do not racially integrate their schools by June of next year was misleadingly described as a "ruling" in last week's Pilot. The plan, approved by a House Education subcommittee, has not yet been written into the law.

Under the "impacted areas" legislation that now exists, federal funds are given to school districts in which children of armed forces personnel make up three per cent or more of the pupils.

Qualifying under the present law, Southern Pines District receives \$12,000 to \$15,000 per year in such funds.

The Pilot was misinformed last week about the status of the proposed integration amendment.

The bill, with the integration amendment approved by the subcommittee, was sent to the full Education and Labor Committee. The bill would extend the impacted areas payments program for another year.

Car Wreck Kills Local Boy, 14

Frank H. Phipps, 14, an eighth grade student at the East Southern Pines school, was fatally injured at 2 a. m. Saturday in an automobile accident near Candor. He died of head injuries about four hours later at Montgomery Memorial Hospital, Troy.

He was the son of Mr. and Mrs. W. Clyde Phipps of 175 W. Connecticut Ave.

Jack Yow, 22, of Southern Pines, was identified by Montgomery County Trooper J. C. Cameron as the driver of the car. Yow had borrowed the car from Milton Kaylor. He was treated in Troy for facial cuts and other injuries and was released Monday.

Cameron said the 1955 Chevrolet sedan hit a curve at 80 to 85 miles per hour, that Yow applied the brakes but lost control and the car overturned at least five times. It was totally demolished. The accident is still under investigation and no charges have been preferred as yet, the trooper said on Tuesday.
