Start Of 47th Pinehurst Field Trials Is Saturday

The 47th renewal of the Pinehurst Field Trials gets underway next weekend with four stakes on the program.

This is one of the oldest trial meets in the country. Drawings for the three amateur events scheduled will be made at 9 p. m. Friday, January 3, at the Holly Inn, headquarters for field trialers. Drawings for the open stake will be held there Sunday.

The Amateur Derby leads off, the first brace going down early Saturday morning. Heats are a half-hour, and the stake is open to all bird dogs whelped on or after January 1, 1962.

The Amateur All-Age and the Amateur Shooting Dog, both open to all bird dogs handled by amateurs, follows with heats of one hour for the All Age and 30 minutes for the Shooting Dog.

Perpetual trophies, which the owner retains upon his third win, are offered in addition to trophies in the first two stakes. The Hoagland Memorial Trophy, given in the All-Age, honors Raymond Hoagland of Cartersville, Ga., one of the founders of the Pinehurst Field Trial Club. The Dr. T. W. Shore Memorial Bowl is given in the Derby in memory of the late ardent trialer from Boonville, N. C.

Concluding stake, the Pinehurst Open Shooting Dog Classic, carries a \$750 guaranteed purse, to be divided \$500 and \$250. With one-hour heats, this stake is open to all bird dogs.

Judges are Claude Crawford of Binghamton, N. Y. and J. William Andrews, of Greensboro.

Suitable mounts from the Pinehurst Stables are available for those who wish to follow the trials on horseback. All arrangements may be made by writing James W. Tufts, Secretary, Pinehurst, N. C.

Forum To Present Goya And Matteo In Dance Program At Carolina Hotel

Members of the Pinehurst Forum and their guests, and visitors at the hotels, will have the opportunity of seeing Carola Goya and her dynamic partner, Matteo, who will present "A World of Dancing" in the Carolina Hotel ballroom on Thursday, January 9, beginning at 8:45 p.m.

Members planning to attend are asked to note that this third in the Forum's current concert-lecture series, will be at the Carolina instead of at the Pinehurst Country Club, where the performances are usually held.

Those who wish to have dinner before the concert may make reservations ahead of time with the headwaiter for the regular dinner, which begins at 7 p.m. Carolina manager Daniel O. Delany suggests that those expecting to entertain large groups of friends order a set menu to facilitate serving so they will be out of the dining room in time for the opening number on the Forum program.

Carola Goya, who illuminates the Spanish dance in all its beauty, is as renowned for her playing of the castanets as for her dancing. Her supremacy in this regard

Carola Goya and Matteo

is recognized by critics of all countries of Western Europe in which she appeared for three years as leading female dancer in the Jose Greco Spanish Ballet company in London, Paris, Brussels, Barcelona, Geneva, Amsterdam and other capitals of the world.

"In Carola Goya's hands," wrote Svend Kragh-Jacobson in the Berlingske Tidende of Copenhagen, "the castanets are not a mere rhythm marking device as in the case of many dancers. With her they live, they sing, they speak, they weep, they rejoice, creating many moods, thus becoming as much a part of the dance as physical movement." Writer Terry of the New York Herald-Tribune says, "She weaves dreams of tonal loveliness."

One of the most interesting numbers on the current program is the charming and unusual castanet duet, to the music of Albeniz, played by Miss Goya and Matteo, who is also a past master and authority on the castanets. His forthcoming book informs us that these fascinating instruments are actually thousands of years old, having their origin in ancient Egypt where they were used not only for dancing but also in funeral and religious rites and by soldiers while marching.

Recently Miss Goya and Matteo were stars of the CBS television program, "Camera 3," which enjoys nationwide coverage. The program was entitled, "Castanets—More than Mere Rhythm," and dealt with the history of the instrument and displayed a dozen or more examples of the castanets of many widely diversified countries and eras, all of these being only a part of Matteo's extensive collection which has been gathered from all over the world. Matteo also has been starred in the widely seen television program, "Captain Kangaroo."

Indeed, Carola Goya and Matteo are unique in their artistry and are unanimously acclaimed to be the finest virtuosos in this field.
