

County High School Basketball Report

BY JOEL STUTTS PINEHURST BOYS, GIRLS LEAD CONFERENCE WITH NO DEFEATS

Conference basketball action resumed last week with the Vass-Lakeview girls handing West End their first loss, by a 35-32 score. Joyce Jones and Sandra Von Metzger featured the Vass-Lakeview victory.

The Pinehurst girls managed to edge Carthage 25-23 in another important contest as these were two of the outstanding girls teams, along with West End, in the Conference.

The Vass-Lakeview boys, playing a possession game, tripped Aberdeen by a 31-30 margin as Westmoore boys gave Southern Pines a real scare before bowing 68-66.

The strong Aberdeen boys team—which has handed Southern Pines their only loss and has dropped one-point decisions to Vass-Lakeview and Westmoore—played inspired ball, holding league-leading Pinehurst to two overtime periods before losing by one point on Diethofer's foul shot with one second left in a game played Saturday night of last week.

Tuesday of this week Pinehurst girls remained unbeaten, in fact the only unbeaten team in the conference, with a 25-17 win over once beaten West End. Pinehurst boys collected win number 8 without a loss by downing West End boys 74-42.

An important game coming Friday matches once-beaten Southern Pines boys with unbeaten Pinehurst at Pinehurst gym. A packed house is expected. Other action Friday will include Aberdeen at Carthage, Westmoore at Robbins, West End at Farm Life and Vass-Lakeview at High Falls.

Coming next Tuesday are: Cameron at Westmoore, Carthage at West End, Robbins at Vass-Lakeview, Farm Life at Southern Pines and High Falls at Pinehurst.

Man Committed To Butner After Three Burnings

An Upper Moore County man suspected of setting fire to historic Friendship Baptist Church in the Hallison community, as well as of burning two unoccupied dwellings, has been committed to Butner State Hospital for mental patients, the sheriff's department reported this week.

The three fires all took place last week. The church burned to the ground Saturday morning. Early last week, the Atwood Whitman home burned and a house owned by Miss Flora McDonald was destroyed Friday.

Contributions for rebuilding Friendship Church are being received by the pastor, the Rev. O. W. Ashworth of Putnam, and by T. G. Davis, Route 1, Carthage.

Man Apprehended Near Crime Scene

Sheriff's deputies arrested Arthur Little, 35, Sunday morning—drunk, barefoot and asleep in a former school bus some 30 yards from Comer's Grocery at Eagle Springs where he was charged with a break-in the previous night.

Groceries, clothing and cigarettes to the value of about \$100 were reported missing.

Chief Deputy H. H. Grimm and Deputy J. A. Lawrence made the arrest while investigating around the store. They said several items of evidence linked Little, an Eagle Springs Negro, to the break-in.

County Has Had 4 National Winners In 4-H Club Competition Since 1955

By MRS. BETTY MORGAN
Assistant Home Economics Extension Agent

Since 1955 Moore County has had six 4-H Club members who have won trips to the National 4-H Club Congress in Chicago. Of this number, four became national winners. These six 4-H'ers have gone on with their educations and have become outstanding citizens.

In 1955 Pat Bost was the national winner in Recreation. She graduated from WCUNC in 1959 and became Mrs. James H. Waters the same month. She now has a three year old daughter and, with her family, lives in Matthews where she teaches home economics in the South Mecklenburg High School. Pat is the daughter of Mr. and Mrs. Herbert Bost of Eagle Springs.

Vivian Tucker is now associate home economics extension agent in Robeson County and is directing the 4-H Club work that she started in as a ten year old 4-H Club'er at West End. She was National Food Preparation winner in 1956. She was president of the college 4-H Club while at WCUNC where she graduated in 1960. Her mother is Mrs. Vivian Tucker of West End.

In 1956 Bobby Auman also went to Chicago where he was declared national winner in Forestry. He graduated from Davidson College in 1963 with a major in English. Bobby is the son of Mr. and Mrs. Clyde Auman and is now at Fort Knox with the Army.

Jane Owen was State Winner in Farm & Home Electric projects in 1958. She interrupted her education at Pfeiffer College in 1960 to go to France as a repre-

sentative from Moore County in the international Farm Youth Exchange program. She still corresponds with the French family with whom she lived for six months. She graduated from Pfeiffer College in January, 1963, and is now Mrs. James Barbot. The Barbots and their six-months-old son now live in Boston where he is in school at the Massachusetts Institute of Technology. Jane is now a member of the Governor's Commission for International Friendship. She is the daughter of Mr. and Mrs. Ben Owen of the Westmoore community.

In 1962 Carolyn Kidd of High-falls went to Chicago as State Health winner. She is now a sophomore at Guilford College. Her parents are Mr. and Mrs. Walter Kidd.

D. A. Cockman was declared national winner in Poultry for 1963 at the National 4-H Congress in December. He is the son of Mr. and Mrs. J. C. Cockman and will graduate from Elise High School, Robbins, this Spring.

BOARD PRAISES AWARD WINNER

The board of county commissioners, meeting at Carthage Monday, directed that a letter of congratulation and commendation be written from them to D. A. Cockman, Moore County youth who was a 1963 national 4-H Club award winner for his poultry projects.

A senior at Elise High School, Robbins, he is the son of Mr. and Mrs. J. C. Cockman of Route 1, Robbins.

Two Legislators Debate Plan At Meeting Of Club

Members of the Moore County Wildlife Club and guests heard a debate on the "Little Federal" proposed constitutional amendment at the club's January dinner meeting in the Carthage Hotel at Carthage Tuesday night.

With Sen. W. P. Saunders of Southern Pines and Speaker of the House H. Clifton Blue of Aberdeen on hand to take part in the program, Rep. Roger C. Kiser of Scotland County spoke for approval of the amendment on which the State will vote Tuesday. Urging a vote against the amendment was Rep. David M. Britt of Robeson County. Rep. Blue introduced the speakers.

Rep. Kiser stressed a comparison of the proposed North Carolina plan with operation of the Federal government, asserting he thought that one house of the General Assembly based strictly on geography and the other on population would work as well for North Carolina as it does in the Congress of the United States.

Rep. Britt, speaking against the amendment, saw as a major danger a threat of Federal court action against the plan, if approved. He stated his conviction that the present system is working well and questioned any need to change it.

Both Sen. Saunders and Rep. Blue joined in answering questions asked after the debate.

In other business at the club meeting, Albert Tufts of Pinehurst, chairman of the building committee, gave a progress report on the clubhouse project and Mrs. Tufts made a report on the club's bazaar. Ralph Mills, club president, presided and conducted the question and answer discussion.

WITH THE

Armed Forces

PFC Fred W. Boles, son of Mr. and Mrs. Charlie M. Boles, Niagara, has completed a five week engineer equipment mechanic course at the U. S. Army School, Europe, in Murnau, Germany.

During the course, Boles received instruction in the maintenance and repair of such items of standard engineer equipment as crane showels, pneumatic tools, motorized graders and electric generators.

The 21-year-old soldier entered the Army in October, 1960, and arrived overseas in May, 1963.

Boles attended Southern Pines High School. His wife, Kay, is with him in Germany.

Marine Staff Sergeant Charles G. Comer, son of Mr. and Mrs. Raymond D. Comer of Route 1, Cameron, has re-enlisted for six years.

He is serving with the Third Marine Division at Camp Sukiran, Okinawa.

A graduate of the Cameron High School, Sergeant Comer entered the Marines in August, 1952.

Baptist Church's Pastor Called To Elizabeth City

By J. D. SHIE
Publicity Chairman

The Rev. Maynard H. Mangum, who has been pastor of the First Baptist Church of Southern Pines since October, 1957, has accepted a call to the First Baptist Church, Elizabeth City, and plans to move there with his family January 24. The pastor's resignation here, by permission of the Board of Deacons, will be effective at the close of the evening service Sunday, January 12.

The church to which the Rev. Mr. Mangum has been called, organized in 1786, has 966 members and, as professional staff, has a church secretary, educational director, minister of music, part-time organist and sexton. The church has been without a regular minister for a year. The Rev. Sam Harvey will continue as assistant pastor.

Born in Asheville, the Rev. Mr. Mangum has an A. B. degree from Lenoir Rhyne College, Hickory, and B. D. and Th. M. degrees from Southeastern Baptist Theological Seminary, Wake Forest. He is a veteran of service in the Marine Corps in World War II and in Korea. In Southern Pines he has been active in civic and professional organizations.

During his pastorate in Southern Pines, the local church has added 230 new members, the youth and music programs have been expanded, indebtedness has been reduced, and a building fund has increased from about \$4,000 to about \$16,000.

The pastor is the former Roselyn Climbory. They have three children: Marie, 14, Marcia Anne, 13, and a son, 12 months old.

COMMISSIONERS

(Continued from Page 1)
this matter, nor was this answered in by Mr. Gentry. However, bank officer, general refusal of sioners to authorize transfer of education funds to al.

A delegation of stockholders and Southern National Bank of Moore County, appeared with Mr. Gentry when he presented his request to the commissioners, many of whom were unable to find seats or even to enter the small meeting room of the board. Mr. Gentry told the commissioners the bank has nearly 300 stockholders in Moore County.

Both Mr. Gentry and Mr. Woodward reviewed the extensive services offered by their banks, their involvement in business and industrial activity over the county, the community service rendered by the banks and their staff and other aspects of their activity, to demonstrate that the banks deserve consideration in their requests.

There was little discussion of the requests by the commissioners, in open meeting, after the bank officials had left. One commissioner voiced the opinion that it might not be wise to change banking practices in the middle of the county's fiscal year which will end next June 30. Board members expressed curiosity as to why the request to switch the board of education funds from one bank to another had been made and said, when questioned by a reporter, that they would like to talk to members of the board of education before making any decision.

Sunrise Theatre

"A tough, brawling, romantic story with comedy overtones" is slated to open Sunday at the Sunrise Theatre. It is "McLintock!" Batjac Production's Technicolor-Panavision all-starrer for United Artists release.

It's the story of hard-drinking, hard-fighting George Washington McIntock, land and cattle baron played by that redoubtable westerner John Wayne, who meets his match when it comes to tough-mindedness in—his own wife!

His wife is played by Maureen O'Hara, who with Wayne, happen to be the same romantic pair that won an Academy Award for the classic "The Quiet Man."

Filmed almost in its entirety in the Nogales, Arizona cow country, where a typical turn-of-the-century cow town was recreated for it, the large "McIntock!" cast also includes Patrick Wayne, the star's son; Stefanie Powers, Jack Kruschen, Chill Wills and Yvonne De Carlo.

And as though two Waynes aren't enough for this action-laug package, a third is added in the person of Michael Wayne, another son, who produced the film.

Ice Plant Still Smokes This Week

The gutted hulk of the big former ice plant building, near the Seaboard Railroad track just south of Aberdeen, continued to smoke this week, following a fire that burned out its interior early last Thursday evening.

Aberdeen Fire Chief M. J. Muse attributed the fire to sparks from cutting torches of a wrecking crew which had been working inside the building.

The roof of the structure caved in, but the two-feet-thick walls, with an insulating cork interior, remained standing. The building is owned by the City Products Co. of Chicago and was used, until a few years ago, to provide ice for fruit and vegetable cars.

Further details of the fire are in a story on page 11.

Ronan Enrolled In 5-Day School

Walter J. Ronan, assistant golf professional at the Country Club of North Carolina, between Southern Pines and Pinehurst, is enrolled in the eighth annual PGA Business School at the Colonnades Hotel, Palm Beach Shores, Fla., to be held January 13-17.

Ronan is assistant to Buck Adams, pro at the new club whose course was opened for play in December.

The intensive five-day course in golf professional education is the second of three such schools being sponsored by the Professional Golfers' Association of America this year. All three are under supervision of the PGA Education Committee.

A graduation banquet will take place Friday January 13.
