Two long tables were set up in the spacious living room, with card tables on the sunporch and members also seated in the large dining room.

The tables were beautifully appointed, with the hosts' antique silverware enhancing the decor. After the informal business meeting, following dinner, the members enjoyed a social hour.

GIVEN AWARD AT BANQUET

'Lion of Year': Elmer Andrews

Elmer P. Andrews, selected "Lion of the Year" by members of the Pinehurst Lions Club, received a plaque so designating him at the annual Ladies' Night dinner, held last Wednesday in the Crystal Room of the Carolina Hotel.

The Dixie Colonels entertained at the dinner meeting. Chairman of the Ladies' Night committee was J. A. Keith Wedlock, with

Mr. Andrews, Thomas R. McKenzie and Robert C. Tallon serving as members.

President John L. McKenzie called the meeting to order.

Andrews was recipient of this honor mainly because of his outstanding work as chairman of the Blind Committee of the local club during the past year. Included in his duties with this committee are making arrangements for eye ex-

aminations of any eye trouble for children and adults in and around Pinehurst, transporting them to eye clinics in the state, and work with the N. C. Blind Commission.

To date, he has also signed up about 75 local residents who have willed their eyes to the eye bank, for use of the blind.

An x-ray technician at Moore Memorial Hospital, Andrews is on call day and night. He is married and the father of two children. His wife, Doris, is incoming president of the Women of the Pinehurst Community Church.

February 21. Each student will be graded on his views of "What Should be the United States' Foreign Policy in 1964." The best two writers will compete for honors in the local Lions Club Oratorical Contest.

Typing or Bookkeeping

Beginning February 10, Nelson Thomas will once again offer to ambitious adult classes in bookkeeping or typing. The classes will meet twice a week from 7:30 until 9:30 p.m. Forty hours will be required to complete the course. Books are furnished—taken care of by the tuition fee. Persons interested in this extremely worthwhile project should register by calling the High School office, or Mr. Thomas at 294-3705.

Science Club

The Science Club is sponsoring a demonstration of live snakes in our area by Colonel Les Heath, a lecturer, writer and explorer from Silver Springs, Fla. He will give two lectures in the gymnasium—one at 9:30 to the elementary school and one at 10:30 to the High School, Friday, January 31. This herpetologist is approved by the State Board of Education and is a member of the NEA and American Camping Association. The students will not be charged for admission, as the school is paying for the lectures.

FHA Meeting

The Rev. Max Gilmore, minister at Beulah Hill Baptist Church, had an outstanding message for the Future Homemakers of America at their last meeting January 22. The Rev. Mr. Gilmore used a wooden wheel to elaborate on unity and coherence in the home for better "Family Relationship."

A suggestion was made at the meeting that the PHS chapter send a delegate or two to the National FHA convention in Chicago this summer. Since the chapter has thus far been successful in its money-making projects, the venture would be entirely possible.

Basketball

The Cameron Fighting Scots did not quite succeed in their second attempt to upset the Pinehurst basketball squads. Tuesday night, January 21, Pinehurst played host to the Cameron teams and sent them home with a couple of defeats.

Patsy Hunt was high scorer for the girls' team with 14 points of the final 49. The Rebelettes played an outstanding defensive game and held Cameron to only 14 points.

Other scorers for Pinehurst were Branda Sheffield and Dorothy Wallace, each with 12 points.

The score was 86-51 as the buzzer rang to end the boys game—and what a game that was!

Wiley "Wild" Barrett was really pumping in the baskets; he came up with 45 points for the game, to break Bobby Norton's previous record for most points in a game set last year.

Also contributing to the Pinehurst score were Don Vest with 15, Bill McDonald with 12, and sophomore Steve Horner with 5 points.

Half Happy

Friday night, the Pinehurst fans and players were only half happy. The girls' team suffered its first loss of the season to Westmoore in a very hard fought close contest. The final score was 32-30—a great disappointment for the Rebelettes. Gail Lea and Jackie Horner each had 9 points, and Patsy Hunt contributed 8 points for our team.

The boys' team came through successfully by defeating Westmoore 64-53. Bill McDonald had 30 points to lead the Rebels to victory while Wiley Barrett contributed 18 and Don Vest added 8 points.

Jayvee Team Good

Besides having a couple of very proficient varsity basketball teams, Pinehurst High has also a junior varsity boys' team to be

proud of.

They are unbeaten thus far, having defeated Carthage, Southern Pines, Aberdeen, and Cameron. Hubert Michael, Bobby Beddingfield, Tony Yearby, Ricky Frye, Bobby Hunt and Ronnie Currie are a few of the players who cause us to have faith in the future basketball team.

Pinettes

The "Pinettes" have been and will be occupied for several Sundays with singing engagements. Sunday night, January 19th, the girls sang at McDonald's Chapel between Pinehurst and West End. The Aberdeen Baptists also heard an anthem from the sextet on Sunday night. Next Sunday afternoon the group is scheduled to provide entertainment at the Sandhill Assembly No. 40 Rainbow Installation.

Graduation

Graduation seems to be more of a reality to the seniors now that they are half-way through their final year and especially since they ordered their commencement invitations last Friday.

Ever since Christmas the juniors have been eagerly awaiting the arrival of those treasured class rings. It seemed, however, that contrary to the "rule" of "girls first," the boys were the lucky ones. On Monday, most of the junior boys gladly received their rings. The main reason for the delay with the girls' rings is that most of the girls ordered something new this year—the "petite." A special dye had to be cut for this small, very feminine variation. Maybe before you're seniors, girls?
