### Couple Celebrates 61 Married Years

Mr. and Mrs. W. H. Beers Tuesday celebrated the 61st anniversary of their wedding with a small family dinner at the Southland Hotel.

### SANDHILL RAINBOW GIRLS ARE HOSTS TO HAMLET ASSEMBLY AT MEET HERE

Since installation of officers in early February, Sandhill Assembly 40 has had two regular meetings. At the first, February 13, Worthy Advisor Betsy Grier read her list of projects and committees for the new term. Information was given about Grand Assembly, which will be in Wilmington, June 28-30. The girls were also told about Supreme As-

sembly and several indicated an interest in going. This national meeting will be in Philadelphia, Pa., for a week during July and will include a trip to the World's Fair.

The attendance and membership project has already received a boost as there have been three petitions turned in, and the girls have been attending the meetings thus far. Mrs. Earl Parker, Mother Advisor, has provided the assembly with a service hour box, so that each girl may keep her own file on her hours of service. Such interest has been shown in hospital work (volunteer) that in addition to having two girls push the canteen cart on Saturday mornings, they will also work on Friday nights. The girls are still carrying on with a project from Helen Causey's term—making puppets for young patients at Moore Memorial Hospital.

At the second regular meeting, March 5, Hamlet Assembly 5 visited this assembly. Eighteen girls and four advisors came to see why Assembly 40 functions so successfully. Most all of the girls knew their ritualistic parts, so the meeting was very impressive. At that meeting, the 1964 handbooks were given out. This new project gives a history of Sandhill Assembly, a calendar of events, a roster of the Rainbow members, and editorials.

The next meeting was held today, Thursday afternoon, instead of tonight, because of Aberdeen's game in the district basketball tournament. The meeting following will be Thursday night, March 27, at 7:00.

### Civic Club Will Hold Benefit Party

At the March meeting of the Southern Pines Civic Club, Lamont Brown treated members and their guests to a most pleasurable and educational afternoon of his near-professional color pictures of his trip to Europe last Fall. Enjoyment of the slides was enhanced by his very fine description of the various countries visited.

Tea was served and delicious sandwiches and cakes were served. Hostesses for the afternoon were: Mrs. Donald G. Case, Miss Laura Charlock, Mrs. E. W. Muller, Mrs. C. W. Ryan, Mrs. O. A. Speight, Mrs. Wade Stevick and Mrs. Robert Strouse.

Mrs. Dean S. Dorman and Mrs. J. D. Sitterson were responsible for the very beautiful flower arrangements.

The Club will hold a benefit Dessert-Card Party at the Club House on Friday afternoon, April 3, at 1:30. Reservations for tables may be made by calling Mrs. Donald G. Case.

### Background Of Flower Arrangements Stressed By Garden Club Speaker

Mrs. Bishop of Aberdeen presented helpful ideas on the arranging of flowers at the Civic Garden Club meeting last Thursday. She stressed especially that care should be taken with the background and surroundings in arranging in order to have a harmonious effect. This is particularly true, she said, in church arrangements, to display the flowers to best advantage as seen from a distance. White flowers, for instance, she pointed out, should not be used with a total white background without a backing of green leaves to set them off.

There were a few flower arrangements, judged by Miss Ruth Lightbourne, a guest from Canada.

Mrs. James Hartshorne, president, presided at the meeting, and was co-hostess, with Mrs. Avery Evans, at the tea following. Mrs. Dean Dorman poured at the table. Her table centerpiece of pink camellias and snapdragons was greatly admired and won first award. Her arrangements of red camellias took second prize.

A tiny miniature of African violets by Miss Louise Haynes won third place award.

### Consult

JOHN RUGGLES

about this question:

"My neighbor had serious windstorm damage to his home. His Homeowner Policy paid the \$2600 full replacement value rather than the \$1700 'depreciated value'. If a Homeowner Policy is maintained to at least 80% of value, does it pay full replacement value on home losses?"
