### DR. GRIER SPEAKS ABOUT YOUTH

#### Chief Seawell Heads Officers' Group; Association Endorses Blue Candidacy

Police Chief Earl Seawell of Southern Pines was elected president of the Moore County Law Enforcement Officers Association last week, with State Trooper Ray Wicker as vice-president.

Re-elected secretary - treasurer by acclamation was Judge J. C. Farrell of Aberdeen Recorder's Court, and four new directors were chosen from nine nominees — Police Chief Allan Benner of Carthage, State Trooper R. R. Samuels, Constable L. F. Woods of Cameron and Hardy Barber, dog warden, of Carthage, Route 3. They were to take office April 1.

The new officers were pictured in last week's Pilot.

The association, in its annual dinner meeting at the Southern Pines Country Club, also unanimously adopted a resolution endorsing the candidacy of Moore County's Cliff Blue for lieutenant governor—the first such endorsement ever made by this non-partisan, non-political organization.

Chief Deputy Sheriff H. H. Grimm, retiring president, presiding, reported the association's insurance program to be in good shape, with a reserve fund which he said he would recommend that the new officers employ to provide additional benefits for the participants. Only active peace officers may, under the regulations, avail themselves of the group hospitalization and life insurance program, partly financed by the insureds and partly by \$1 in court costs charged in most criminal cases in the county.

**Clubhouse Progress**  
President Grimm also noted that the clubhouse near Carthage has gotten a good start, with the cookshed partially completed, wired and equipped, the lake dammed and well stocked with fish, and a pier already built. He recommended that the new administration push completion of the project, being built beside the school garage lake, as it would mean a lot to the members not only as recreation but a means of raising funds with cookouts.

Judge Farrell, reporting on finances, said the club had an active bank balance of \$843 on hand in addition to the reserve fund of \$1,000 drawing interest at the Aberdeen Savings & Loan.

The association's financial condition has been helped during the past few months by the candy and coke machines it has installed on the first floor of the courthouse, which have proven quite

#### Sandhill Firemen Back Cliff Blue For Lt. Governor

Meeting in Pinebluff March 20, the Sandhills Volunteer Firemen's Association with some 185 representatives from Virginia to the South Carolina line, voted to endorse House Speaker H. Clifton Blue of Aberdeen for Lieutenant Governor.

Rep. Blue, a longtime supporter of the Firemen's Pension Fund legislation, was one of the speakers on the program. Blue told the group that the Retirement Pension Fund Bill has resulted in the formation of needed volunteer fire departments throughout the state which in turn keep property loss and fire insurance rates down.

Also speaking on the program was State Insurance Commissioner Edwin Lanier who strongly supported the Firemen's Retirement Pension Fund legislation.

Donald C. Charles, retired Charlotte fire chief, told the group of Blue's long support of legislation in behalf of the firemen and urged the group to support Blue. The motion to endorse Blue, which was unanimously carried, was made by Sim Oxendine of Pembroke.

Presiding at the meeting was Henry O'Briant, president of the Association, of Roxboro. Curtis Flannigan, secretary of the State Association of Farmville, gave a report.

Major Robert E. Martin of Fort Bragg spoke to the group on civil defense preparedness.

Mayor E. H. Mills of Pinebluff and W. K. Carpenter, Jr., chief of the Pinebluff Volunteer Fire Department, extended greetings to the firemen.

All the volunteer fire departments in Moore County are members of the association. A delegation from Southern Pines attended the meeting.

North Carolina ports are connected with inland markets with excellent rail and trucking facilities. Heavy duty cranes and fire-proof warehouses help make the port terminals an integral part of commerce and industry.

popular and are producing a net return of around \$25 per month.

**Teen-Age Problems**  
Judge Farrell was also program chairman for the evening, and introduced Dr. John C. Grier, Jr., of Pinehurst, who spoke on teenage problems of the times in relation to law enforcement.

The breakdown of the home and the lack of strong Christian teaching he saw as modern trends causing adolescent difficulties, often winding up in delinquency and crime.

"Each youth has a hero, whether for good or for ill, and it is up to us to provide the kind of example by which he can pattern his life for good citizenship," the speaker said. He added, "We must use the things we ourselves learned in youth, with God's help, to help our young people today."
