

THE **eat** IN THE **meat**

You Can See It... You Can Taste It!

The **EAT in the MEAT** that makes "Super-Right" your best buy shows up in a way you can see. You see it in the corn-fed beef steaks and hearty rib roasts that have the *wasteful* fat and bone trimmed away. You see it in bright color of the freshly ground beef that's double-ground for tenderness. You'll see it where it counts—in the meat you serve your family—in your budget, too!

The **EAT in the MEAT** that A&P promises, starts long before you see it, however. It begins with A&P selections from the nation's top packers. They know "Super-Right's" strict quality standards for beef, pork, lamb, veal and poultry. And our buyers know that if every pound can't be guaranteed—it's not "Super-Right" quality.

The **EAT in the MEAT** comes only from constant care. That's why A&P maintains its own gov't.-inspected warehouse devoted exclusively to meat processing. Under the watchful eye of our staff of experts passes every pound of meat destined for your family. This care continues right up to the minute your purchase is made. You can count on "the **EAT in Super-Right meat**"—and on A&P's money-saving prices—because we care about YOU.

The **EAT in the MEAT** is guaranteed at A&P. The meat we sell must satisfy your family completely or your money will be refunded. All persons in your A&P meat department know this—and they are as determined as we to offer the best meat service in town.
