Student Council
The elections for the 1964-65 Student Council were held today, Thursday. The results of these elections will be in next week's column. Those nominated for the various offices were as follows: President—Janice Fields and Nance Gadd, vice-president—Barbara Garrison and June McKenzie; secretary—Boris deNissoff and Audrey Owens; and treasurer—Kemper Fitch and Linda McDonald.

There will also be two members selected from this year's group to act as student advisors on next year's Council.

Junior-Senior Prom
The most "looked-forward-to" event of the year was a wonderful night at Whispering Pines last Friday—the Junior-Senior Prom. It was a lovely dance, but ended much too quickly for most.

The large group danced to the music of "The Plaids," an excellent band which the Juniors hired. Entertaining also were a juggler, L'il Abner (Abner Harrington) and our own Sharon McDonald, with several vocal selections.

Typing Contest
Wiley Barrett and Jimmy Hussey, representing Typing I, and Lynda Hinson, representing Typing II, went to St. Andrews College last Friday for the annual typing contest. None of these students won awards as such, but each of them was rewarded with the experience of competitive typing.

This is the first time that Pinehurst has sent students to the contest, so next year typing students will know how to prepare for it.

Attorney Speaks
In the observance of National Law Day, May 1, Pinehurst High School students heard a fine speech last week by attorney Arthur Rowe from Aberdeen.

Baseball
This past week, the Rebels baseball team played their games "on the road."

High Falls was defeated Monday by the powerful Rebs by a 4-1 score. Don Vest was credited with the win.

Pinehurst visited Vass-Lakeview Tuesday. Results will appear next week.

Legionaire Supper
The local Legion Post entertained the basketball teams and those affiliated with the teams, last Saturday night at the Legion Hut, with a chicken supper. After the delicious meal, the group enjoyed a color film of last year's Duke-West Virginia

Pinehurst Rebs Win Three Baseball Games
Pinehurst won two baseball games last week. The Pinehurst Rebels defeated West End High last Wednesday by the score of 3 to 2 behind the strong pitching and hitting of Don Vest.

Don, a member of the junior class, pitched a seven-hitter and also had seven strike-outs to his favor.

On Friday, the Pinehurst High baseball team played East Montgomery High and won to the tune of 4 to 1.

Johnny Williamson and Don Vest pitched this game and allowed only 5 hits.

Wayne Maples led the Rebels with two hits. Also hitting safely for the Pinehurst Rebels were Charles Currie, Ronnie Currie, Bill McDonald and Don Vest.

The Rebels defeated Highfalls High Monday by a 4-1 score, behind the three-hit pitching of Don Vest. Leading hitters for Pinehurst were Tony Yearby, and Bobby Hunt, each hitting with two hits and Wayne Maples, Gerald Garner, Bill McDonald safely once.

Gerald Garner also secured two hits for the local team.

SPHS BASEBALL

Knights Defeat Aberdeen 5-3 For First Win

BY STEVE HASSENFELT

The winless Southern Pines Baseball team posted its first win of the season, defeating Aberdeen 5-3 at Memorial Field in Southern Pines. Johnny Rowe, the pitcher for the Blue Knights, held the Aberdeen Red Devils to 3 hits while the Blue Knights pounded out 10 hits off two Aberdeen pitchers.

What proved to be the winning run in the game was scored when Larry Daugherty hit a line drive single off the glove of Wayne Lewis in the fourth inning, scoring Mike Warlick who had got on previously on a base hit and had stolen second and advanced on a throwing error to third.

The Blue Knights collected one run in the first inning when Danny Crowley singled and advanced on throwing errors when stealing and scored when there was a bad throw from the outfielder.

In the second inning Cullen Fisher hit a ground rule double in the bushes growing on the fence, and scored later on a sacrifice. The Blue Knights picked up another run in the third inning on three consecutive singles by Jackson, Bradley, and Rowe.

In the fourth inning the Blue Knights picked up the winning run and an insurance run.

Some outstanding plays were made on defense when Keith Jackson caught a pop fly in foul territory and snagged a line drive, and when Cullen Fisher made a fine catch of a long fly ball in the top of the seventh inning.

Miss Hill Given Grant For Year's Study, Chapel Hill

Miss Elsie Hill, a graduate of West End High School, class of 1957, is one of 50 science teachers from this and other states to receive a grant from the National Science Foundation for an academic year's study at the University of North Carolina, Chapel Hill.

This grant carries with it an allowance of \$3,000 for personal expenses, plus \$75 for books; tuition also is granted. The work must have grades on the graduate level. When this year's work is finished it will entitle Miss Hill to a master's degree in science.

Miss Hill is finishing her third year of teaching science in the high schools of Greensboro. She is the daughter of Mr. and Mrs. Claude S. Hill, now of Sanford and formerly of West End. She has done her college work at Louisboro College and Greensboro College, and has taken summer courses in science at Duke University under a National Science Foundation Summer Institute program.

Presbyterian Youth Hear Voit Gilmore

Voit Gilmore of Southern Pines addressed the youth of Bethesda Presbyterian Church in Aberdeen Sunday night, urging their use of creative imagination to assure happier, more productive lives.

The occasion marked the Church's farewell to graduating high school students. Dr. W. C. Neill, the Presbyterian pastor distributed gifts.

"Whatever your job, wherever you are, make a habit of asking yourself how you can do your work more efficiently and effectively," Gilmore urged. "Combining your best talents with creative thinking will help us have a better state and nation."

Gilmore was introduced by Jere McKeithen who with Mrs. McKeithen serves as adult adviser to the youth group.

More than 7,000 medical research projects are being conducted in facilities of the Veterans Administration by some 3,200 professional personnel with more than 1,100 technical and administrative assistants.
