## Good Crowd Attends PTA Meet, Sees Fashion Show, Industrial Arts' Work

A near overflow crowd turned out last Tuesday for the final Parent-Teacher Association meeting of the current season.

Officers for the coming year were elected and parents and teachers saw a parade of lovely fashions, with home economics students who had made them, modeling their ensembles. Commentator was Mrs. Clement Williams, music teacher of the Pinehurst School, and in overall charge of the fashion promenade was Miss Geraldine Jones, home economics teacher.

After the meeting, those attend-

ing adjourned to the corridor outside the auditorium where they viewed completed projects of industrial arts students of Hobart Williams which exhibited striking, near-professional skill and competence.

Re-elected president of the organization for the coming year, Mrs. Thomas Connolly, who presided at the short business session, thanked personally each committee chairman for his or her assistance through the year.

Elected to serve with her were: Mrs. Ray Martin, vice president; Nelson Thomas, secretary and Mrs. Al Harms, treasurer.

The Rev. Max Gilmore, pastor of Beulah Hill Baptist Church, gave the devotional and PTA historian Mrs. Bevins Cameron read her annual report for the year.

Taking over briefly from Mrs. Connolly, Willard Dunlop presided over a session of the Community Recreation Association, which functions closely with the PTA. Ray Hensley, chairman of the nominating committee presented the names of three directors—John King, Mrs. Peggy Tufts and Paul Monroe—who were then unanimously elected to serve three year terms.

For Mr. Monroe, it was a reelection; Mrs. Tufts was also re-elected, as she was finishing out the unexpired term of another resigning director. Mr. King replaced Bert Clayton on the board.

The Pinehurst Parent-Teacher Association will meet again probably in September or October after school reopens.

Four volunteer members of the Pinehurst Fire Department—Elmer Andrews, James Frye, Howard Stewart and Peter Tufts—are in Charlotte attending the week-long State Fire School.

The doctor should be called immediately when a stroke occurs so that he can determine the proper individualized treatment for each patient, the North Carolina Heart Association says.
